one of the hardest tasks ever to bear when it comes to making humans good humans it's a lifetime job but it is worth it in million ways Parenting unlike other endeavours works careers or courses in the world is not formally learned yet it is axiomatic to say that it forms a strong pivot to what other works careers professions and vocations disciplines would shape like in the society It is quite not incongruous to present parenting as that mould through which the society is formed This alone makes it worthy of being seen as a vocation Parenting role is never a one gender thing it's an ineluctable responsibility of both genders Leaving parenting to the major care of a gender male or female as required in marriage is quite disastrous only a very few children come out good out of this situation hence every circumstance that pose to cause this must be passionately avoided and if not so easy adequate provisions must be made available for proper care Parenting has to do with discipline refinement formation building construction instruction guidance protection and provision All these are energy sucking and tiresome roles which require selflessness and absolute attention in their involvements Sometimes parenting comes in to overthrow or shut down other professional engagements it is that demanding In this book stages of development in a child's formation signs neurodiversity as well as tips to making good children in potentials shall be dwelt on PARENTING IS MORE THAN A CAREER IT'S A LIFE MAKING JOB THAT MUST NOT BE TOYED WITH AT ALL TIME Resource Foster Parent's Survival Guide Cheryl Mitchell-Welch,2014-04

Handbook of Parenting: Children and parenting Marc H.

Bornstein,2002 **The Respectful Parent** James A. Deutch,2012-02-23 The most important job you will ever have is being a parent Parents usually raise their children the way they were parented no matter how good or bad their experience People laugh when they say Babies dont come with an instruction manual The Respectful Parent A Manual for Moms and Dads may be the closest book to that much needed manual This book is for parents whose normal children are driving them up the wall and parents who want to improve their parenting skills while things are still going well The Respectful Parent is written in a personal style by an author who has over 55 years of clinical experience working with families and individuals of all ages Dr Deutch believes that respect between parent and child along with a toolbox of great common sense techniques is the key to having a cooperative happy and productive family Spanking yelling and threats may work on your child in the immediate situation but scientific research shows that in the long term they have many negative and sometimes catastrophic side effects The Respectful Parent teaches how to use positive and democratic ways to nurture children These ideas are based on the commonsensical philosophy of Doctors Alfred Adler and Rudolph Dreikurs Learn to use the power of encouragement the family council individual special time natural and logical consequences and simple communication techniques Become your child's consultant rather than boss Raise your child's self esteem courage mental health and even his or her I Q **Respect Your Children** Jay Scott Fitter,2010-03-29 Raising a child in todays world is a challenging task Kids dont come with instruction manuals and no test is required to parent So it makes sense that many of us feel unprepared and unready for the task at hand But the job doesn't have to be quite so difficult There are strategies and skills that can help the parenting

process be more effective and successful for the whole family At the center of these techniques is one simple idea Respect Your Children So what does it mean to Respect Your Children Its about communicating with our kids talking to them and listening to their answers Understanding the difference between discipline and punishment Its caring for them with love instead of obligation or resentment Whether it be teaching or simply chatting on the couch parents need to tackle every situation from a position that starts with this one overriding principle respect Throughout the course of this book you will learn a variety of tools skills and strategies that will help you become a better role model and a better parent
