

Narrative Report to the Financial Statements

Introduction

The Statement of Accounts (the Accounts) summarises the financial position of the London Borough of Barking & Dagenham for the year ended 31 March 2018.

The principles adopted in compiling the Accounts are those recommended by The Chartered Institute of Public Finance and Accountancy (CIPFA) namely:

- The Code of Practice on Local Authority Accounting in the United Kingdom (the Code); and
- International Financial Reporting Standards (IFRS)

This Narrative Report provides information about the London Borough of Barking & Dagenham, its main objectives and strategies and the principal risks it faces in delivering its ambitions for the communities it serves. It sets out in summary how the Council has used its resources during financial year 2017/18 to achieve planned outcomes in line with its objectives and strategies.

The Narrative Report is a key document for communicating to stakeholders the authority's purpose; how it has performed in accordance with its overall strategy and against Key Performance Indicators over the financial year 2017/18; and how it has allocated its resources in line with intended outcomes. It assists management to demonstrate their collective performance over the year and gives assurance about how well the authority is equipped to deal with the challenges ahead, to continue delivering services and support its local communities.

The Report provides a fair, balanced and understandable analysis of the Council's performance in 2017/18. It shows the connections between the information within the financial statements and the achievement of the Council's objectives and strategies.

The Narrative Report focuses on elements that are material to an understanding of the financial position and performance of the Council and is structured as follows:

- Barking and Dagenham – the Place
- The Council
- The Council's Financial Strategy
- Risks and Opportunities
- Performance – Progress on Transformation
- Financial Performance
- Preparation of the financial statements

Disruptive Change and the Capital Markets Marius Fischer, 2023-04-03 The risk based approach to capital markets regulation is in crisis Climate change shifting demographics geopolitical conflicts and other environmental discontinuities threaten established business models and shorten the life spans of listed companies The current rules for periodic disclosure in the EU fail to inform market participants adequately Unlike risks uncertainties are unquantifiable or may only be quantified at great cost causing them to be insufficiently reflected in periodic reports This is unfortunate given the pivotal role capital markets must play in the economy's adaptation to environmental discontinuities It is only with a reformed framework for periodic disclosure that gradual and orderly adaptation to these discontinuities appears feasible To ensure orderly market adaptation a new reporting format is required scenario analysis should be integrated into the European
