### Re: Records Information

Please send me my complete medical records, including any treatment notes, test results, laboratory findings and/or diagnostic reports and any notes with Dr. John Smith from 2012 to the present. I have authorized a release of health information that I have signed authorizing you to send me my medical records.

Especially, I do not have funds to pay for these records. I would greatly appreciate it if you would waive the cost of the records. The medical records are an essential part of my application for Social Security benefits. If you are not able to provide the records or so change, please let me read them without my expense approval. You may either call or write to me informing me of the fee that you would be requesting.

If you have any questions, you may reach me at (303) 999-1111.

Sincerely,
