Dear Customer Service Manager,

I am writing to bring to your attention a recent customer service experience that has left me feeling disappointed with your company. I have been a customer of your company for several years, and I have always been satisfied with your products/services. However, my recent interaction with your customer service department has left me feeling frustrated and dissatisfied.

The issue I encountered was customer service regarding an issue I was experiencing with [product/service]. I was told that an experienced and knowledgeable representative would be provided to me with necessary information, which only added to my confusion and frustration. Furthermore, the representative had a dismissive attitude and did not take my concerns seriously.

I expected to speak with a knowledgeable representative who would listen to my concerns and help me resolve the issue. Instead, I was met with a lack of understanding and a dismissive attitude, which left me feeling unheard and dissatisfied with your company's customer service.

As a customer, I have a right to be heard and to have my concerns addressed. I was hoping for a prompt and effective resolution to my problem, but instead, I was left with a negative experience and a damaged view of your company.

I hope your department has improved customer service to its existing level. I hope you will take immediate action to address the issue and improve the quality of your customer service department.

I appreciate your attention to this matter and would appreciate your response to my complaint, along with any steps you plan to take to address this issue. I hope that my complaint will be taken seriously and that my experience will not be repeated for other customers in the future.

Thank you for your time.

Sincerely,  
[Your Name]
