

A Letter of Encouragement to My Little Sister

03.08.17

Dear Linda,

I may not have said that ever but I just wanted to tell you that I am blessed to have a sister like you. And I am not saying that just to make you feel better but I am saying that because you really make me proud. Whenever I look at you, I see a beautiful soul. Your innocence, your creativity, your dedication towards things you do always inspires me to be like you because these are the things that make you so special.

I have seen you grow. From a cute and naughty girl in childhood to a responsible and sensible girl in teens. I have no words to tell you how good I feel that my baby sister has become a big girl, a girl with wisdom and strong decision making. I still remember that how gracefully your conquered your weak points. From working on your handwriting in school to working on your personality, you have taken every challenge seriously and made it a point to never give up. And I am very sure that you will shine bright in your life. Whatever career you will pursue, you will touch the sky and I will always be waiting to see your name in the newspapers.

I just want to tell you that no matter how old you get, you will always find me next to you. I promise to be there for you, supporting you, helping you in everything you do.

I love you the most and I will always love you, no matter how much we fight.

With love and hugs,

Kate
