

# **SAMPLE LETTER TO A JUDGE TO DISMISS A TICKET**

---

Honorable Judge John Black  
ABC County District Court  
ABC United States Courthouse  
100 South Finest Street – Suite 100  
Minneapolis, MN 11111

Dear Hon. Judge Black

Re: Speeding Ticket Appeal [Ticket No.305490009]

This is my formal written statement to appeal against the above speeding ticket I received on 1/01/20.. at Hope Road, Downtown.

My name is George O'Connor and My license plate number is 1ABC234. I'm lodging this appeal because I strongly believe that this ticket was issued to me improperly and that the cameras recorded the driver who was driving very fast immediately before me, but he was able to flee, thus I was caught on camera instead of him.

This would be my first speeding ticket, according to my driving records. I am a cautious driver who always adheres to the speed limit and due to my age (67), I find it unsettling to exceed (50mph). Thus It's extremely unlikely that I was driving too fast.

I humbly request that my speeding ticket be dismissed. Since it will result in an increase in my insurance rate, which I cannot afford.

Sincerely  
George O'Connor

rebuffed With no other recourse the Author submitted his complaints to the state oversight agency the California Commission on Judicial Performance The Commission itself operates without any state agency oversight makes its own rules has a separate budget and functions with complete autonomy We are a country of laws that mandates the behavior of citizens and defines the government mandate authority to protect individual rights Thus try to form a mental picture in your mind about a young married couple that drive their cars daily to and from work At the end of work they drive through heavy traffic and arrive back home about the same time After they drive home they prepare and eat their evening meal then clear the table and fill the dishwasher They go to the living room to watch the bleak evening news on television put the kids to bed and sit down to relax and read a book They each have a copy of this book When they had finished reading their books they looked at each other and wondered out loud How in the world can that happen here Damn This is America     Decisions of the Office of Administrative Law Judges and Office of Administrative Appeals United States.
