**Understanding Prayer for the Dead** James B. Gould, 2016-08-04 Throughout history Christians have prayed for the dead both for continual growth of the faithful and for their advancement from purgatory though not for the deliverance of the unsaved from hell This book defends all three kinds of prayer It challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well James Gould addresses the biblical credentials of prayer for the dead and provides a historical overview of such prayers from ancient Christianity to the current practice of the three main branches of the church He also discusses the logical assumptions prayer for the dead requires that prayer is effective that the dead are conscious and that the afterlife involves change and lays out a theological framework for such prayers Prayer for the departed raises the most basic of theological questions matters that go to the center of God s purpose in creating spiritual beings and redeeming sinful humankind The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

Christonomy Jean-Gerard Delinois, This book isn t just for those who profess to be Christians it s for all who want to lead a life of meaning purpose and contribute to God s magnificent plan By diligently following these guide lines you can discipline yourself and craft your unique path developing an approach that will guide you far more effectively than listening to somebody s lecture from a class room or a pulpit Jean Gerard makes it clear that while you ll be following his road map this is your journey only you can bring it to life I pray and hope that every reader would find some benefit from this work It is not a one size fits all It has information that would help non believers based on the word of God Non believers are often blessed more than believers by following the principles of the kingdom outlined in my book I make no apology for my success nor do I take credit I follow the Christonomy and put my faith action in God for every decision and plan I am blessed but I believe I would have been more successful had I started living my life according to God s principles earlier My goal for writing this book is to see everyone enjoy life with good health healthy relationships and a serious connection with the Lord
