Dear [Mr./Mrs./Ms.] [Hiring Manager's Name],

I was excited upon learning about the vacant position of Patient Care Technician role with your renowned hospital. With my 3 years of prior experience in delivering patient care services to patients with different illnesses, I am confident to contribute significantly to the position of your Patient Care Technician. I possess in-depth knowledge of bedside etiquettes and patient care therapies, which would help me accomplish the role's objective.

Highlighting a few of my current job responsibilities for you to review:

- Properly clean and organize patients' rooms.
- Assist the patient in performing the daily activities.
- Keep a tab on the vital symptoms of the patients.
- Comply with the instructions provided by the nursing supervisor.
- Restock the required inventory.
- Collect the samples of the patients for lab examination.
- Emotionally support the patients.
- Carry out other related tasks.

I have remarkable communication and interpersonal skills, along with empathetic nature, which makes me an ideal match for the job opening.

I would like to express my gratitude for reviewing my profile. I have enclosed my resume to provide you with additional information about my educational qualifications and work experience along with this job application. I would be honored to discuss my current duties in detail with you.

Best Regards,
[Your Name]

You CAN Teach Advanced Med-Surg Nursing! Mary Miller, Deborah Wirwicz, 2014-08-18 This is the first comprehensive resource for clinical medical surgical nursing instructors responsible for guiding students through their entire clinical rotation. Filling a huge gap in resources for instructors required to teach the medical surgical nursing course, it contains everything the new or adjunct instructor needs to teach expertly and confidently. The guide features a week by week instructional plan for the clinical rotation and includes all materials necessary to effectively perform administrative leadership and supervision, assess students' knowledge and learning styles, maximize the learning process, simplify evaluation, and help ensure a smooth transition to clinical practice. The guide will serve as a welcome companion to both experienced and novice medical nursing instructors with its week by week instruction guide that encompasses organizational teaching templates, teaching and learning resources, and evaluation materials. These include everything from the Adjunct Faculty Contract to the Course Syllabus to a Comprehensive Skills Checklist. Key clinical instruction materials, including PowerPoints and simulation scenarios, are provided for each body system. Additionally, the book contains quizzes with answers, discussion questions, and interactive student activities and exercises. Key Features: Comprises the first complete resource for successfully guiding students through their clinical rotations from start to finish. Helps to allay the fear factor for new and adjunct clinical nursing instructors. Provides a week by week instructional guide that includes organizational teaching templates, teaching and learning resources, and evaluation aids. Includes numerous forms and templates to facilitate administrative responsibilities, student assessment, and student evaluation. Key clinical information is organized by body system and includes multiple interactive teaching tools.
