**Social Housing in the Middle East** Mohammad Gharipour, Kivanc Kilinc, 2019-03-01 As oil rich countries in the Middle East are increasingly associated with soaring skyscrapers and modern architecture attention is being diverted away from the pervasive struggles of social housing in those same urban settings Social Housing in the Middle East traces the history of social housing both gleaming postmodern projects and bare bones urban housing structures in an effort to provide a wider understanding of marginalized spaces and their impact on identities communities and class While architects may have envisioned utopian or futuristic experiments these buildings were often constructed with the knowledge and skill sets of local workers and the housing was in turn adapted to suit the modern needs of residents This tension between local needs and national aspirations are linked to issues of global importance including security migration and refugee resettlement The essays collected here consider how culture faith and politics influenced the solutions offered by social housing they provide an insightful look at how social housing has evolved since the 19th century and how it will need to adapt to suit the 21st

**Competition Law in South Africa** Precious N. Ndlovu, 2018-04-23 Derived from the renowned multi volume International Encyclopaedia of Laws this practical analysis of competition law and its interpretation in the South Africa covers every aspect of the subject the various forms of restrictive agreements and abuse of dominance prohibited by law and the rules on merger control tests of illegality filing obligations administrative investigation and enforcement procedures civil remedies and criminal penalties and raising challenges to administrative decisions Lawyers who handle transnational commercial transactions will appreciate the explanation of fundamental differences in procedure from one legal system to another as well as the international aspects of competition law Throughout the book the treatment emphasizes enforcement with relevant cases analysed where appropriate An informative introductory chapter provides

detailed information on the economic legal and historical background including national and international sources scope of application an overview of substantive provisions and main notions and a comprehensive description of the enforcement system including private enforcement The book proceeds to a detailed analysis of substantive prohibitions including cartels and other horizontal agreements vertical restraints the various types of abusive conduct by the dominant firms and the appraisal of concentrations and then goes on to the administrative enforcement of competition law with a focus on the antitrust authorities powers of investigation and the right of defence of suspected companies This part also covers voluntary merger notifications and clearance decisions as well as a description of the judicial review of administrative decisions Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable time saving tool for business and legal professionals alike Lawyers representing parties with interests in the South Africa will welcome this very useful guide and academics and researchers will appreciate its value in the study of international and comparative competition law
