**The Reflective Educator's Guide to Classroom Research** Nancy Fichtman Dana, Diane Yendol-Hoppey, 2014-04-28  
Harness the power of classroom data with the bestselling updated guide to professional learning through inquiry and analysis  
In this third edition of the renowned approach to teacher inquiry and data analysis the authors add forward thinking  
substance to their methods of formulating action research questions collecting and analyzing data and creating lasting  
solutions In addition to illustrative real life examples and practical exercises new features include An expanded data analysis  
chapter that introduces formative data analysis and its role in teacher research Techniques for using inquiry to effectively  
implement Common Core State Standards A brand new chapter on ethical issues in teacher research **Virginia Journal  
of Education** ,2000 Connected Newsletter ,2004 *Instructor* ,1997 **Unleashing Your Language Wizards** John T.  
Crow,2010 John T Crow Unleashing Your Language Wizards A Brain Based Approach to Writing and Editing First Edition  
Unleashing Your Language Wizards breaks new ground by presenting a research based active learning approach to teaching  
lasting sentence management skills that taps into students natural learning abilities To guide teachers in grades 3 12 to  
effective teach editing and writing this book introduces the basic principles specific examples and sample activities all of  
which teach the most important language concepts from a variety of different angles and approaches to help students  
conquer their written language issues It focuses on three areas of knowledge referred to as Wizards that all students must  
possess to communicate effectively Grammar Wizards Sentence Wizards and Rhetorical Wizards The book positively shines  
as it helps to frame issues that are so important to address in the grammar writing classroom but that are difficult to explain  
without clear pathways laid out the more ways to get students physically engaged and mentally engaged in grammar learning  
the better the activities here seem designed well to engage students and provide them with good practice in the concepts the  
author lays everything out in a methodical way that gets to the heart of learning grammar Jennifer Powers Green Mountain  
College The content and process to teaching grammar explicitly from a brain based approach is without exception timely in  
light of the recent recognition of the type of students who make up the achievement gap in the United States This is excellent  
information to consider pedagogically The book will generate much discussion on how teachers can make grammar  
strategies more interesting and engaging for English learners Catherine Elise Barrett University of North Carolina Chapel
