Writing Mystery and Mayhem ,2023-01-10 This eighth anthology of twelve short stories from Weaver Press reveals again the range and variety compassion and humour irony and tragedy with which Zimbabwean writers observe the world around them Several writers adopt a tongue in cheek approach to the subject Naishe Nyamubaya takes us behind graphic newspaper headlines with a story of goblins Jonathan Brakarsh turns the world inside out by constantly reversing our expectations and Lawrence Hoba draws a situation both collateral and incompatible It is a characteristic of crime fiction to defy expectation as Farai Mudzingwa Bongani Sibanda and Valerie Tagwira do in exploring the ramifications of sudden death But if we are surprised by some stories we can only be moved those which draw on the pain and vulnerability of both the victims and those left behind Goddess Bvukutwa Isabella Matambanadzo and Donna Kirstein help us to reflect on injustice and loss Reading this collection of stories with subjects ranging from tokolosh to tsunami and from ghosts to goldfish reminds us that the world is crazier than we think

High School Senior's Guide to Merit and Other No-Need Funding 2005-2007 Gail Ann Schlachter,R. David Weber,2005-05 There are dozens of other funding directories describing college aid But none of them are like this one First unlike other directories the High School Senior's Guide focuses only on merit and no need scholarships Not one of the programs covered here requires financial need Plus only programs open to college bound high school seniors are included No more scanning through hundreds of listings that apply to currently enrolled college students not to you In addition the entries here are grouped by discipline so you can go directly to the area you want to study Not sure what your major will be No problem

There's even a section listing programs that are open to support studies in any area. The High School Senior's Guide provides the only way to find money for college based solely on academic record writing or artistic ability speech making skills athletic success high school club membership religious or ethnic background parents military or organizational activities and even pure luck in random drawings. Perhaps that's why College Financial Aid gave the High School Senior's Guide 4 stars its highest rating.
