Demarketing Nigel Bradley, Jim Blythe, 2013-10-23 We all understand the basic principles underpinning marketing activity to identify unfulfilled needs and desires and boost demand for the solutions a product is offering The mantra is

always sell more De marketing tries for the very opposite Why would a company actively try to decrease demand There are many good reasons to do so a firm cannot supply large enough quantities or wants to limit supply to a region of narrow profit margin Or crucially to discourage undesirable customers those that could be bad for brand reputation or in the case of the finance sector high risk De marketing can yield effective solutions to these issues effectively curtailing demand yet crucially not destroying it Nevertheless the fundamental negativity of de marketing strategies often causes organisations to hide them from view and as a result they are rarely studied This then is the first book to cast light on the secretive counterintuitive world of de marketing deconstructing its mysteries and demonstrating how to incorporate them into a profit driven marketing plan A selection of thought leaders in strategic marketing mix theory with illustrative global cases providing insight into how these strategies have been employed in practice and measuring their successes and failures It s a must read for any student or researcher that wants to think differently about marketing

Integrating Marketing and Supply Chain Management Thomas A. Fotiadis, Dimitris Folinas, Adam Lindgreen, Antonios Gasteratos, Christos A. Vassiliadis, 2025-11-14 Successful organisations have long recognised the importance of demand supply integration to maintaining growth and success Integrating Marketing and Supply Chain Management brings together the two disciplines marketing and supply chain management SCM to provide students with a bird s eye view of these disciplines and to appreciate their symbiotic relationship to one another Taking account of the key strategic priorities from the marketing and supply chain disciplines the authors demonstrate how both disciplines can be managed synergistically to the benefit of the organisation Pedagogical features include multiple choice questions extended essay questions and learning objectives in each chapter Case studies from a range of global industries are incorporated including shipping car manufacturing and the retail grocery sector Overall this bridge building textbook is essential reading for students of marketing logistics supply chain management and procurement

Evaluation of the Marketing Strategy of Tesla Motors Inc Dominic Birk, 2015-11-06 Research Paper undergraduate from the year 2015 in the subject Business economics Offline Marketing and Online Marketing grade 1 0 University of applied sciences Cologne language English abstract Tesla Motors Inc is a car manufacturer which polarizes like no other company in this industry It is often said that with its business model and its special strategic moves Tesla confuses competitors utilities and marketing agencies Therefore this assignment will focus on the analysis of the key aspects of Tesla s business model in order to find out why it is considered to be different Moreover the objective of this assessment is to find out whether this strategy is useful or if it should be changed The market definition and analysis of the first assignment is hereby the basis for this evaluation of Tesla Motor s current marketing strategy Therefore the focus will be again on the company s domestic market the United States of America Furthermore only Tesla s automotive products will be taken into consideration its recently launched home battery will not be object of this work
