***Molecular and Cellular Biology of the Vitamins***  
George F.M. Ball, 2024-10-02  
*Molecular and Cellular Biology of the Vitamins* is a key resource describing how vitamins function as physiologically active molecules at the cellular level. The contents of the book are divided into four sections, including a thorough introduction, biological perspectives, fat-soluble vitamins, and water-soluble vitamins. Vitamin chapters cover information on chemical structures, intestinal absorption, plasma transport, and metabolism. Biochemical and physiological actions, regulations of gene expression, immunological properties, deficiency-related diseases, and perspectives chapters facilitate the understanding of vitamin biology, including the theory of biochemistry, physiology, endocrinology, molecular genetics, and immunology. Features facilitate learning and understanding through a logical flow of information. Discusses vitamin behavior across a wide range of biological disciplines. Discusses immunological and deficiency-related diseases, including coronary artery disease, diabetes, and cancer, and potential toxicity.

*Molecular and Cellular Biology of the Vitamins* appeals to those involved in vitamin research or teaching postgraduate students studying nutrition or health-related topics, health practitioners, and scientists.

***The Anti-Ableist Manifesto*** Tiffany Yu, 2024-10-08  
Tiffany Yu takes readers on a revelatory examination of disability, how to unpack biases, and build an inclusive and accessible world. As the Asian American daughter of immigrants living with PTSD and sustaining a permanent arm injury at age nine, Tiffany Yu is well aware of the intersections of identity that affect us all. She navigated the male-dominated world of corporate finance as an investment banker at Goldman Sachs before founding Diversability, an award-winning community business run by disabled people, building disability pride, power, and leadership, and creating the viral Anti Ableism series on TikTok. Organized from personal to professional, domestic to political, *Me to We to Us*, *The Anti Ableist Manifesto* frames context for conversations, breaks down the language of ableism, identifies microaggressions, and offers actions that lead to authentic allyship. How do we remove ableist language from our daily vocabulary? How do we create inclusive events? What are the advantages of hiring disabled employees, and what market opportunities are we missing out on when we don't consider disabled consumers? With contributions from disability advocates, activists, authors, entrepreneurs, scholars, educators, and executives, Yu celebrates the power of stories and lived experiences to foster the proximity, intimacy, and humanity of disability identities that have far too often been othered and rendered invisible.
