English, Heather Love, 2023 The Humanities and Human Flourishing series publishes edited volumes that explore the role of human flourishing in the central disciplines of the humanities and whether and how the humanities can increase human happiness The contributors to this volume of essays investigate the question what do literary scholars contribute to social scientific research on human happiness and flourishing Of all humanities disciplines none is more resistant to the program of positive psychology or the prevailing discourse of human flourishing than literary studies The approach taken in this volume of essays is neither to gloss over that antagonism nor to launch a series of blasts against positive psychology and the happiness industry Rather the contributors reflect on how their literary research work to which they are personally committed might become part of an interdisciplinary conversation about human flourishing The contributors areas of research are wide ranging covering literary aesthetics book history digital humanities and reader reception as well as the important inter disciplines of gender and sexuality studies disability studies and black studies fields in which issues of stigma and exclusion are paramount and which have critiqued the discourse of human flourishing for its failure to grapple with structural inequality and human difference Literary scholars are drawn more readily to the problematic than to the decidable but by dwelling on the trouble spots in a field of inquiry still largely confined to the sciences Literary Studies and Human Flourishing provides the groundwork for new and more productive forms of interdisciplinary collaboration and exchange Graycorts Morgan Greene, What happens when you find out your best friends are werewolves Rose has been best friends with her next door neighbors for as long as she can remember As far as she knew they were perfectly normal When she sees their younger sister turn into a wolf for the first time her world became a lot more awesome **I'm His Mate, Not His Choice** Mia X, 2025-07-02 An 18 year wait A forbidden bond A love he refuses to claim What if your niece turned out to be your mate Seventeen year old Xel a rare Dragon Were Vamp hybrid never expected to fall for the one man she shouldn't her cold ruthless uncle Alpha Jax Stone the most feared Alpha of the Diamond Heart Pack But fate doesn't care about bloodlines For 18 years Jax has fought the pull of the mate bond trying to suppress his wolf's obsession with the girl he swore to protect In his desperate attempt to deny destiny he wounds not only his fated mate but himself As the bond tightens and the wait comes to an end bitter pasts resurface A rising wave of supernatural drug trafficking kidnappings of teenage dragons and the dark secrets of Alpha Kai Stone pull them into a deadly mission where love might not survive Now Jax and Xel must face the greatest threat of all not just a powerful enemy lurking in the shadows but the impossible love they can no longer run from Uncle by Blood Mate by Moon Monster by Choice Note This is Book 4 of 7 in the Reverse Harem Sextuplet Series A must read for paranormal romance lovers who are seeking Forbidden paranormal romance Dragon were vamp hybrid Alpha uncle mate Supernatural drug trafficking Fated mates taboo
