Obsessed Elisabeth Bronfen, 2019-08-09 Winner of the 2020 Gourmand Awards Translation Section USA Even the most brilliant minds have to eat. And for some scholars, food preparation is more than just a chore; it's a passion. In this unique culinary memoir and cookbook, renowned cultural critic Elisabeth Bronfen tells of her lifelong love affair with cooking and demonstrates what she has learned about creating delicious home meals. She recounts her cherished food memories from meals eaten at the family table in postwar Germany to dinner parties with friends. Yet in a thoughtful reflection on the pleasures of cooking, for one she also reveals that some of her favorite meals have been consumed alone. Though it contains more than 250 mouth-watering recipes, *Obsessed* is anything but a conventional cookbook. As she shares a lifetime of knowledge acquired in the kitchen, Bronfen hopes to empower both novice and experienced home chefs to improvise, giving them hints on how to tweak her recipes to their own tastes. And unlike cookbooks that assume readers have access to an unlimited pantry, this book is grounded in reality, offering practical advice about food storage and reusing leftovers. As Bronfen serves up her personal stories and her culinary wisdom, reading *Obsessed* is like sitting down to a home-cooked meal with a clever friend.
