Ghost Country JK Franks, 2018-08-14 The battle for survival continues in the final book of the bestselling Catalyst series Two years ago a super solar storm triggered a CME pulse that crippled the country and destroyed the electrical grid What remains of the country's leaders are hiding a secret something that threatens not just the U.S. but the entire world The Gulf Coast town of Harris Springs Mississippi has suffered from gang attacks famine hurricanes and battled a crusading army of religious zealots Now they face their greatest challenge Outsmarting a tyrannical President and escaping an approaching pandemic The fractured military leaders are beginning to come to grips with the facts of America being ripped apart at the seams They must act to give the remaining population any chance for survival As the nation falls apart in the aftermath of civil war the survivors must decide how far they will go to save the ones they love

Hype Jon Helgason, Sara Kärrholm, Ann Steiner, 2015-01-01 In the world of books and literature hype is associated with bestsellerism the books that sell the most are read by vast numbers and constantly talked about in media and staff rooms Often it is the success in itself that generates an interest because popularity begets popularity Quite often though a hyped bestseller is met with a skeptical criticism of poor language a badly constructed plot a predictable story line or all three The bestseller phenomenon is sometimes conceived as a threat against real literature Research into the creation reception and meaning of bestsellers is utterly scarce and Hype Bestsellers and Literary Culture is an important contribution to the understanding of the literature read by the masses Popular literature plays an important role in the lives of millions of readers offering entertainment social commentary and alternate perspectives on everyday life This volume brings together such diverse issues as the creation of hype the role and the meaning of the author in the present day media landscape changes in the book trade and the relationship between bestsellers and research into them Further articles give an historical overview on postapocalyptic stories desert romances and the role of the authors This book offers new knowledge on a subject that is

increasingly popular within university curricula Although the anthology is a work of academic research the texts are of equal interest to general readers **The Other Side of Never: Dark Tales from the World of Peter & Wendy** A. J.
