

Evidence of Mastery Assessment:

"The Roman Legacy Time Capsule Project"

Students will create a digital "time capsule" that reflects Rome's legacy in today's world. They'll choose five Roman legacies (e.g., government, architecture, roads, civil duty, religion) and for each, include a digital "item" or piece of information (like a picture, document, or text snippet) showing how that Roman contribution is still present. They'll compile these into a presentation, explaining each choice and how they think it has impacted the modern world.

Additional Reflection Prompt:

In a paragraph, please answer the following:

"Imagine this time capsule is discovered in 2,000 years. What would people learn about Rome's influence on us today, and why do you think these legacies have lasted so long?"
