*Better Stories: Mapping Cultural Studies with Lawrence Grossberg* Andrew Davis, John Nguyet Erni, Carolyn Hardin, Gilbert B. Rodman, Jennifer Daryl Slack, 2025-09-10 Better Stories assembles essays and provocations in honor of Lawrence Grossberg's radically contextual and affectively attuned lifework. In over fifty chapters contributors trace mattering maps of influence, friendship and intellectual struggle charged with the hope that thinking together with feeling can change the world. These essays not only comment on Grossberg's ideas and many published works but also engage, expand, confront and reshape them. Here cultural studies is not a settled field but an unruly and ongoing conversation, an affective and political project sustained through convivial agonism where asking so what sparks new thinking and even better stories. With contributions from Charles R. Acland, Preston Adcock, Juan Ricardo Aparicio, Bryan G. Behrenhausen, Tony Bennett, Marcus Breen, Lisa B. Y. Calvente, Iain Chambers, Younghan Cho, John Clarke, Barbara Claypole White, Zachariah Claypole White, Chantal Cornut, Gentille D. ### **Crash Course in Readers' Advisory**

Cynthia Orr, 2014-12-05 One of the key services librarians provide is helping readers find books they'll enjoy. This crash course will furnish you with the basic practical information you need to excel at readers' advisory (RA) for adults and teens. The question can you recommend a good book can be one of the most daunting you face notwithstanding the fact that recommender tools are ubiquitous. Often uncertainty arises because although librarians are called on to perform such services daily, readers' advisory is a skill set in which most have no formal training. This guide will remedy that. It is built around understanding books, reading, and readers, and will quickly show you how to identify reading preferences and advise patrons effectively. You'll learn about multiple RA approaches such as genre appeal, features and reading interests, and about essential tools that can help with RA. Plus you'll discover tips to help you keep up with this ever changing field. There is no other professional book that covers the full spectrum of skills needed to perform the RA service that is in such great demand in libraries of all kinds. Helping readers find what they want is a sure way to serve patrons and build your library's brand. You will come away from this easy to understand crash course with the solid background you need to do both.

**Notes on a Silencing** Lacy Crawford, 2020-07-07 A powerful and scary and important and true memoir of a young woman's struggle to regain her sense of self after trauma and the efforts by a powerful New England boarding school to silence her at any cost Sally Mann author of *Hold Still* Shortlisted for the 2022 William Saroyan International Prize for Writing When *Notes on a Silencing* hit bookstores in the summer of 2020 even amidst a global pandemic it sent shockwaves through the country Not only did this intimate investigative memoir usher in a media storm of coverage but it also prompted the elite St Paul's School to issue a formal apology to the author Lacy Crawford for its handling of her report of sexual assault by two fellow students nearly thirty years ago In this searing book Crawford tells the story of coming forward during the state investigation of the elite New England prep school decades after her assault only to find for the first time evidence that corroborated her memories Here were depictions of the nave

hardworking girl she'd been as well as astonishing proof of an institutional silencing. The slander innuendo and lack of adult concern that Crawford had experienced as a student hadn't been imagined; they were the actions of a school that prized its reputation above anything even a child. This revelation launched Crawford on an extraordinary inquiry deep into gender privilege and power and the ways shame and guilt are used to silence victims. Insightful, arresting, and beautifully written, *Notes on a Silencing* wrestles with an essential question for our time: what telling of a survivor's story will finally force a remedy? Erudite and devastating, Crawford's writing is astonishing. *Notes on a Silencing* is a purposefully named, brutal, and brilliant retort to the asinine question of Why now? The story is crafted with the precision of a thriller, with revelations that sent me reeling. From body lotion to tonic water, the popular new element shines bright in the otherwise dark years of the First World War. Meanwhile, hundreds of girls toil amidst the glowing dust of the radium dial factories. The glittering chemical covers their bodies from head to toe; they light up the night like industrious fireflies. With such a coveted job, these shining girls are the luckiest alive until they begin to fall mysteriously ill. But the factories that once offered golden opportunities are now ignoring all claims of the gruesome side effects and the women's cries of corruption. And as the fatal poison of the radium takes hold, the brave shining girls find themselves embroiled in one of the biggest scandals of America's early 20th century and in a groundbreaking battle for workers' rights that will echo for centuries to come. With meticulous research and a keen eye for detail, Kate Moore delves into the lives of these remarkable individuals, capturing their resilience, strength, and unwavering determination.
