To Climates Unknown Arturo Serrano,2021-11-02 On September 11 the United States were destroyed That is September 11 of the Year of Our Lord 1620 In this alternate history the Mayflower was lost at sea and the English Separatists were disheartened from further colonization of North America The United States were never born The centuries that follow will see the emergence of rival empires that will split up the world between them One will become the terror of the seas One will rampage with carriages of steam One will take to the skies And the people caught in the middle will fight against the colonial system to bring an end to all empires     *If the North Had Won the Civil War* Andrew J. Heller,2015-10-30 From the author of the best selling alternate histories *Gray Tide in the East* and *Tidal Effects* comes a unique look at the Civil War If the North Had Won the Civil War is two alternate history novels in one The modern story follows Stonewall Jackson Jack Sawyer a history professor in the modern day Confederate States of America and his alternate history If the North Had Won the Civil War in a nation where publication of such a book is a criminal offense The story gives the reader a look at a nightmarish Confederacy where any person with a drop of Black blood in his veins is denied basic human rights and confined to a Preserve Interwoven with the adventures of Jack his fiancée Annabelle Parkins his friend and fellow history professor Buzz Hanson and his girlfriend the mulatto escort Lydia Starkwell is Jack's book This is an alternate history of the Civil War written with the painstaking historical authenticity and attention to detail that Mr Heller's fans have come to expect The characters in this book within a book are actual figures in the Civil War and the military tactics and strategies are based on those of the historical war The fiction is followed by a lively and informative factual discussion of the Civil War and a bibliographic essay Among the legions of Civil War fans lovers of military history and alternate history geeks this book will undoubtedly spark debate and controversy and for those who know little or nothing about the subject it will provide a lively and thought provoking introduction to what is arguably the most important event in American history one whose echoes continue to effect the shape of this nation today     **Times of Trial** Cliff Ball,2012-05-11 Book 3 of 7 of the Christian fiction series *The End Times Saga* This is the story about three Christian families who experience the persecution of Christians first hand when the U S becomes a Police State Two of the families get rounded up by government forces as the President declares a dictatorship initiates Michael Evans Order 21 and lays the U S on a course that will mean its ultimate destruction The third family make their way from Arizona to Wyoming where they hope a town built by Domsday Preppers twenty years earlier will keep them safe Micheal Evans also tries to manipulate events in the Middle East to try to bring war between Israel and Iran shortly before the end times Keywords christian fiction christian thriller christian end times fiction apocalyptic dystopian government oppression fema camps     *A Nation Interrupted: An Alternate History Novel* Kevin McDonald,2020-03-09 World War II was the defining event of the 20th century Follow several characters who become swept into the greatest struggle the world has ever known The war in which they find themselves is largely the same conflict
