**Policing and Mental Health** John McDaniel, Kate Moss, Ken Pease, 2020-02-25 This book explores the

relationship between policing and mental health Police services around the world are innovating at pace in order to develop solutions to the problems presented and popular models are being shared internationally Nevertheless disparities and perceptions of unfairness remain commonplace Innovations remain poorly funded and largely unproven Drawing together the insights of eminent academics in the UK the US Australia and South Africa the edited collection evaluates the condition of mental health and policing as an interlocked policy area uncovering and addressing a number of key issues which are shaping police responses to mental health Due to a relative lack of academic texts pertaining to developments in England and Wales the volume contains a distinct section on relevant policies and practices It also includes sections on US and Australian approaches focusing on Crisis Intervention Teams CITs Mental Health Intervention Teams MHITs stressors and innovations from Boston in the US to Queensland in Australia Written in a clear and direct style this book will appeal to students and scholars in policing criminology sociology mental health cultural studies social theory and those interested in learning about the condition and trajectory of police responses to mental health

*Putting the State on Trial* Margaret E. Beare, Nathalie Des Rosiers, Abigail C. Deshman, 2015-04-01 Canada is often lauded as a model democracy that values the constitutional rights of its citizens So when over a thousand people most of whom were peaceful protesters or hapless bystanders were violently arrested and then detained without charge during the G20 Summit in Toronto in 2010 many Canadians felt shock and outrage *Putting the State on Trial* The Policing of Protest during the G20 Summit examines the political social and economic conditions that allowed the policing of the summit to culminate in human and civil rights violations Written by a multi disciplinary group of scholars and legal practitioners this book contextualizes events before during and after the summit from a range of perspectives Although the G20 protests serve as a point of departure in every chapter the contributing authors engage with larger questions about the control of dissent the impact of the securitization and internationalization of Canadian politics the implications of legal uncertainty and the accountability vacuum
