Political Science Reading Lists and Course Outlines ,1981      **Teaching Politics Beyond the Book** Robert W. Glover,Daniel Tagliarina,2012-11-22 To teach political issues such as political struggle justice interstate conflict etc educators rely mostly on textbooks and lectures However many other forms of narrative exist that can elevate our understanding of such issues This innovative work seeks new ways to foster learning beyond the textbook and lecture model by using creative and new media including graphic novels animated films hip hop music Twitter and more Discussing the opportunities these media offer to teach and engage students about politics the work presents concrete ways on how to use them along with teaching and assessment strategies all tested in the classroom The contributors are dedicated educators from various types of institutions whose essays span a variety of political topics and examine how non traditional texts can promote critical thinking and intellectual growth among students in colleges and universities The first of its kind to discuss a wide range of alternative texts and media the book will be a valuable resource to anyone seeking to develop innovative curricula and engage their students in the study of politics      **The Political Science Student Writer's Manual** Gregory M.
