## **Por Amor A Anna Portuguese Edition:**

History of Spanish and Portuguese Literature (Vol. 1&2) Friedrich Bouterwek,2020-10-09 This 2 volume book on the literature of Spain and Portugal represents an extraction from Bouterwek's most significant critical work entitled *Geschichte der Poesie und Beredsamkeit seit dem Ende der dreizehnten Jahrhunderts* History of Poetry and Eloquence from the Close of the Thirteenth Century in which the author has taken an historical and critical survey of the literature of the principal nations of Europe The first of the following volumes is devoted to the history of Spanish and the second to the history of Portuguese Literature The subdivisions of the work correspond with periods marked out by certain revolutions in taste produced by the rise of eminent writers or by other influential circumstances These epochs in literary cultivation form convenient resting places for the student and contribute to exhibit in a clear point of view the circumstances by which the advancement of polite learning has been accelerated or retarded The specimens which are numerous and a great portion of which are selected from very scarce works cannot fail to prove highly acceptable to the lovers of the literature of Spain and Portugal For a general and comprehensive knowledge of that literature they will be found amply sufficient and to those who wish to pursue its study more in detail they will afford most useful assistance In such a course of study great advantage may also be derived from the numerous bibliographical notes introduced by the author

**Galician-Portuguese Troubadour Poems** ,1995 The poetry of the Provencal troubadours has been widely appreciated this century but most modern readers of English are unaware of the trovador tradition on the Iberian Peninsula Some 1 685 cantigas sung poems written in Galician Portuguese between the twelfth and fourteenth centuries survive in several cancioneiros song books The language of the cantigas reflects the vernacular spoken along the Minho river dividing Portugal from Galicia It was the idiom of lyric poets in every Peninsular region except Catalonia One of the two main types of love songs is the fascinating cantiga d' amigo derived from an oral tradition native to the peninsula and narrated from the woman's point of view Satirical songs on the other hand provide insights into the history and politics of the day or else take delight in pure invective and ribald fun far more daring some would say vulgar than the work of poets of our own day
