Political Science An Introduction 10th Edition:

Politics , Power & Choice W. Phillips Shively, 2018-08-10 Power Choice provides a general comparative introduction to the major concepts and themes of political science The author s goal when writing the book was a text that is conceptually alive and that engages students with concrete examples of analysis without losing them in a clutter of definitional minutiae

The National Union Catalog, Pre-1956 Imprints ,1968 **B.H. Blackwell** B.H. Blackwell Ltd,1928 **Social Transformation and State Governance in China** Xianglin Xu, 2020-06-08 This volume is a selection of Chinese political scholar Xianglin Xu s published works spanning nearly 20 years of research that explore and discuss the socio economic transition in China under state political reform Contextualized within the decades following the 80s the author analyzes patterns observed from empirical studies and breaks down the underlining reasoning conditions and functionalities behind the incremental reform policies pushed forward by the Party and government The collection is broken up into four sections the first provides a general framework and theoretical historical introduction to social transition research in the case of China the second section discusses the underpinning logic behind political reform in China and practical concerns the third section follows with discussions on reform policy practices within China including application and trajectory the final section concludes with an analysis of reform within state institutional infrastructure and policy innovation *Supplementary*

Catalogue Being a Classified List of the Books Added to the Library July 23, 1906-Dec.31, 1924 Institute of Accountants and Actuaries in Glasgow. Library, 1915 Power and Choice W. Phillips Shively, David Schultz, 2022-04-13 A truly comparative introduction to political science that reflects the diversity of approaches to the discipline Power Choice offers an in depth look into the nuances of politics through the analysis of collective choices for a group or state through the use of power Organized topically and using extended case examples from around the world Power Choice provides undergraduate students with a clear and engaging introduction to political science and comparative politics The 16th Edition has been updated to address the issues raised by the covid 19 pandemic as well as the impact the Trump and Biden presidencies have had so far upon the world and its democracies including challenges in states such as Hungary where illiberal democracy and nationalism are on the rise The authors have also included discussion of the impact of the death of George Floyd upon race relations in America and how issues such as growing inequality are impacting politics This edition adds examination of women s economic development and the rising importance of LGBTQ issues globally *The United States Catalog* ,1925

Standard Catalog: Sociology Section H.W. Wilson Company, 1918 National Parliaments as a Global Institution Pertti Alasuutari, 2025-01-10 Countries all over the world make decisions of national and international importance in a national parliament Today for a country to have a national parliament is a global norm but this has only been the case for the last few hundred years The development of this remarkable uniformity has seen national parliaments become a global institution National Parliaments as a Global Institution scrutinizes how the current world order comprising national

legislatures evolved how parliaments work and how they form a global network or field for the transfer of ideas and information It highlights the remarkably similar structures and practices of national parliaments all around the world with even the opening words of a session replicating those of other parliaments and the four sacred principles that define national parliaments as an institution national sovereignty parliamentary immunity the national interest or common good and the sanctity of fellow parliamentarians By considering national parliaments as a global institution Pertti Alasuutari explores how legislatures symbolize sanctify and naturalize the nation state as the component part of world society **7000-7999, Social sciences, 8000-8999, Natural sciences; 9000-9999, Technology** Princeton University.
