Wolf,2020-12-03 It seems like a fairy tale but not too long ago there were rational people who ran the Republican Party In these divisive times we don t have very bright politicians to look up to anymore How did the party of Lincoln become the party of right wing nut jobs Republicans have gone crazy who keep on convincing themselves that the Democrats are evil and the Democrats with their ugly threats have become what they claim to hate With SOCIETY IN REPAIR it will prove that no one is immune to stupidity As a whole nation we have been divided so politically that we hate anyone who disagrees with our own personal views But what if a common human emotion could unite America as a whole again like humor Society In Repair takes a non partisan view on the issues that really matter Issues including sexual abuse climate change drug addiction and most importantly why Americans have lost their sense of humor The constant degradation of humanity in America shows a clear insight into these dramatic days of our Nation s life Society In Repair is here to remind us what it means to be American even though the American story has not always been great But the belief in Americans of progress and change keeps America going in the darkest of times **Hugs, Hope and Peanut Butter** Marsha Mott Jordan,2006 If you are a scourge on this is what you Anyone who has faced tough times and disappointment be encouraged by the use of lifting and often humorous essays about everything from husbands wild bears and a day in the emergency room to aging in laws and living with chronic illness What essays illustrated by critically ill children the author draws upon her own experiences of dealing with chronic pain and depression to mix the series with a lighthearted and bring a message of hope to the hurting Like a visit with a friend who always makes you laugh this book will lift your spirits strengthen your faith and warm your heart Publisher **Shift Work** Bobby C.
