

NON-DENOMINATIONAL INVOCATIONS FOR KIWANIS MEETINGS

- ❖ Let us take a moment to remember all the religions represented in the Kiwanis family. Let us also recall that when we were invited to join our Kiwanis clubs we were not asked "are you a Protestant, a Hindu, a Muslim, a Jew, a Catholic or a Buddhist?" You are not asked because all religions are welcome in the Kiwanis family.

Please join me in a moment of reflection and thanks with these words:

With our friends beside us and no person beneath us, with the bonds of Kiwanis between us, and our worries behind us, with our goals before us, and no task beyond us, with a thirst for knowledge, and a dream of a disease-free world, we are thankful for our Kiwanis friends and the meal we are about to share.

- ❖ Will you please bow your head with me. Let us pray silently together, each one of us according to our individual beliefs. Let us offer thanks for our food, blessings for one another. Let us be a source of hope for those in need and contentment for those who are lonely. Let us give gratitude for our opportunity to serve Kiwanis. Let the feelings of love, kindness, and a well-directed yet gentle spirit always be reflected in our actions.
- ❖ Let my eyes be opened. Let me awake and see the beauty that surrounds me all around. Let me hear the singing birds make their wonderful sound. Let me thank God for my health that has been good to me so far. Let all my dreams come true when wishing upon a star. Let me be thankful for friendship that was lovingly given me. Let me never forget the caring that was made for me to see.
- ❖ Will you please bow your head with me. Let us pray silently together, each of us according to our individual beliefs. Let us offer thanks for our food, blessings for one another and for absent friends. Let us be a source of hope for those in need, and contentment for those who are lonely. Let us give gratitude for our opportunity to serve Kiwanis. Let the feelings of love, kindness, and a well-directed, yet gentle spirit always be reflected in our actions.

Legislatures in Evolution / Les législatures en transformation Charles Feldman, David Groves, 2022-09-14 Legislatures in Evolution presents a series of essays on evolution and change in the legislative context. They cover a wide range of topics including both proposed and implemented reforms. The contributions included here discuss parliamentarians' attitude toward party discipline, the specific challenges associated with implementing sexual harassment policies within legislatures, the consequences of the Supreme Court's ruling in *Mikisew Cree First Nation v Canada* on the government's duty to consult Indigenous Peoples when drafting legislation, parliamentarians' engagement in budgetary control issues, the reform of the rules governing prayers in the Legislature of British Columbia, and time management reforms in the Legislative Assembly of Yukon. Charles Feldman, Geneviève Tellier, David Groves, and their contributors bring together both practical and academic experience and perspectives. They conclude with an analysis of parliamentary reforms paying particular attention to the impact of the COVID 19 pandemic on the functioning of legislatures.

[Scientific and Pastoral Perspectives on Intercessory Prayer](#) Larry Van De Creek, 2013-10-23

Many people agree that prayer is a central feature of spiritual life. But what is prayer? [Scientific and Pastoral Perspectives on Intercessory Prayer: An Exchange Between Larry Dossey MD and Health Care Chaplains](#) explores common questions and concerns about intercessory prayer or the act of praying for the benefit of others from several different points of view. Chaplains, priests, ministers, and clergy in the health care profession will learn how prayer is examined from sources other than traditional Christian views such as parapsychology. From [Scientific and Pastoral Perspectives on Intercessory Prayer](#) you will learn what prayer means to some chaplains and to their ministry and how prayer can make drastic changes in the lives of your parishioners, patients, and their families. Written by eight chaplains, the articles in this text are in response to an essay by Larry Dossey, a nationally known physician who speaks and writes about prayer. The contributors to [Scientific and Pastoral Perspectives on Intercessory Prayer](#) discuss his points of view on intercessory prayer which are based on quantum physics. You will learn if this area of physics can make a difference in how you practice your faith, how you worship, and what you think about or expect from prayer. [Scientific and Pastoral Perspectives on Intercessory Prayer](#) examines several other topics related to prayer including discovering whether or not intercessory prayer is truly different from other methods of meditation, exploring the relationship between intercessory prayer and meditative or praise prayer, linking prayers and their results to the expectations or intentions of those who engage in them, differentiating between an intercession and a wish, deciding for yourself what constitutes evidence or proof when discussing the aspects of prayer, how our opinion of prayer relates to how we think about the universe and about God. Since [Scientific and Pastoral Perspectives on Intercessory Prayer](#) focuses on the cooperation between science and theology, you will discover that in many instances people believe that the power of prayer should be taken seriously. This text also shows you how the questions and functions of prayer are shared by everyone despite religious differences or methods of praying. Encompassing

Congress,1971 **The Religious Left and Church-State Relations** Steven H. Shiffrin,2012-08-26 In The Religious Left and Church State Relations noted constitutional law scholar Steven Shiffrin argues that the religious left not the secular left is best equipped to lead the battle against the religious right on questions of church and state in America today Explaining that the chosen rhetoric of secular liberals is poorly equipped to argue against religious conservatives Shiffrin shows that all progressives religious and secular must appeal to broader values promoting religious liberty He demonstrates that the separation of church and state serves to protect religions from political manipulation while tight connections between church and state compromise the integrity of religious institutions Shiffrin discusses the pluralistic foundations of the religion clauses in the First Amendment and asserts that the clauses cannot be confined to the protection of liberty equality or equal liberty He explores the constitutional framework of religious liberalism applying it to controversial examples including the Pledge of Allegiance the government s use of religious symbols the teaching of evolution in public schools and school vouchers Shiffrin

examines how the approaches of secular liberalism toward church state relations have been misguided philosophically and politically and he illustrates why theological arguments hold an important democratic position not in courtrooms or halls of government but in the public dialogue The book contends that the great issue of American religious politics is not whether religions should be supported at all but how religions can best be strengthened and preserved **The Art of Thinking**
