**DIRECTIONS:** Read the passage carefully. Answer the short-answer question using complete sentences. Make sure to include details from the passage to support your answer. Before you finish, check your spelling, capitalization, and punctuation.

**PASSAGE** Aus loved painting more than anything. Her favorite paintbrush had a bright red handle and soft bristles that made her pictures look smooth and colorful.

One Saturday morning, Aus searched for her brush to finish a painting of a rainbow. She looked in her art box, under the table, and even in her backpack. But the brush was gone. Aus felt frustrated and worried.

Her mom came in and handed Aus a brand-new brush from the store. At first, Aus didn't think it could ever replace her old one. But as she dipped it into the paint and brushed it across the paper, she smiled. The colors looked bright and the strokes were neat. Aus realized she could still enjoy painting, even with a new brush.

**SHORT ANSWER QUESTION** How do Aus's feelings change from the beginning to the end of the passage? Support your answer with evidence from the story.
