**on Human Nature** Bo Yin Ra, 2000 The Book on the Living God The Book on Life Beyond and this book form a trilogy These three books should be read together The Book on Human Nature presents basic concepts about human nature with the goal of inspiring readers to awaken the timeless spiritual spark within We become fully human only when the spiritual potential within us gradually awakens and infuses our material purely animal selves It is a path that every human being may and should pursue A central understanding is that all life results from the joining of opposites in particular the polarity of male

and female energies Bo Yin Ra emphasizes that the true spiritual human being is male and female united in one entity when we seek our spiritual self we must call forth the male and female in ourselves and in all things He discusses the biblical fall from grace as a descent from the spiritual plane in which male and female were united onto a material plane in which male and female are split apart Here on earth this split can be healed within marriage A true marriage Bo Yin Ra tells us is preparation for the life beyond by coordinating the desires wills and attitudes of two beings we once again bring about in some measure the original state in which male and female energies are united E W S Publisher The Kober Press publishes the only English translations of the books of Bo Yin Ra authorized by the Kober Verlag Switzerland The Kober Verlag publishes the books of Bo Yin Ra in the original German and has protected their integrity since the author's lifetime Contents Introduction The Mystery Enshrouding Male and Female The Path of the Female The Path of the Male Marriage Children The Human Being of the Age to Come Epilogue A Final Word
