In 1999 the General Assembly of the United Nations adopted the resolution to recognize the Vesak Day as an International Day of Recognition of Buddhists and the contribution of the Buddha to the world. Since then the people and the Royal Government of the Kingdom of Thailand in general and Mahachulalongkornraja vidyalaya University in particular were very honored to have successively and successfully held for twelve years the United Nations Day of Vesak Celebrations in Thailand. From 2004 to date we have come a long way in the celebrations and we are happy to be the host and organizer but it is time for the celebrations to grow and evolve. The United Nations Day of Vesak is coming to maturity with twelve celebrations under our belt much experience gained and it is time now to share this with others. There will always be room for growth and development and we are elated to see it grow. In 2006 2007 having joined the International Organizing Committee for the UN Day of Vesak as Deputy Secretary General Ven Dr Thich Nhat Tu has played a crucial role in building strong relationships between the National Vietnam Buddhist Sangha and the International Council for Day of Vesak in particular and the Global Buddhist communities in general. We have full trust in Vietnam being the host of UNDV 2019 for the third time. We like to thank all those who have contributed to the success of previous celebrations and wish all future celebrations be successful. The teachings of the Buddha see no boundaries the minds of all are alike the sufferings of all are similar and truly and the liberation of all is the same. We are happy to initiate the process develop the scope and now it is time for others to follow in similar footsteps evolve the celebrations into a truly international event that can be shared with Buddhists and Non Buddhists alike.
