The book covers a wide range of topics including equity and access diversity teacher retention legal frameworks school typology governance cultural competence third culture kids leadership and practice technology and parent engagement. Written by educational professionals researchers and anthropologists it offers a unique collection of voices from those with lived experiences in this field making it an invaluable resource for anyone interested in gaining a deeper understanding of the international school sector. Whether you are an educator researcher policymaker school leader lecturer or anthropologist the Handbook of Research on Critical Issues and Global Trends in International Education is a must read comprehensive guide to the complexities and challenges of international education providing practical solutions for improving the quality of education in this rapidly evolving field. If you are looking to gain a nuanced understanding of the critical issues facing international schools and evidence based approaches for addressing these challenges this book is the perfect resource for you.

*Innovative Trends in Teacher Education for the 21st Century* Dr. S. Bella Wiselet and L. Vinila, 2019-04-14 Education seeks to provide the intellectual enlightenment and the spiritual emancipation in the search for a better existence for all life on earth. Teacher education must target skills for the 21st Century and beyond them to address the needs of a knowledge society. These days teacher s education system is facing problem of inaptness and irrelevance. There is a visible gap between how students live and how they learn. Schools and colleges have struggled to keep the pace with the rate of change in students lives inside and outside the educational institution. Innovative educational practices support the development of new capabilities and surfacing stumbling blocks on the road to innovation implementation. The implementation of learning that promotes the development of general capabilities and deep learning approaches in students is at the centre of the paradigmatic changes.
