*Writers' Handbook 2025* J. Paul Dyson, 2024-12-15 The 2025 edition of firstwriter.com's annual directory for writers is the perfect book for anyone searching for literary agents, book publishers or magazines. It contains over 1,500 listings including revised and updated listings from the 2024 edition and over 300 brand new entries. Finding the information you need is now quicker and easier than ever before with multiple tables and a detailed index and unique paragraph numbers to help you get to the listings you're looking for. The variety of tables helps you navigate the listings in different ways and includes a Table of Authors which lists over 6,000 authors and tells you who represents them or who publishes them or both. The number of genres in the index has expanded to over 900. So for example, while there was only one option for Romance in previous editions, you can now narrow this down to Historical Romance, Fantasy Romance, Supernatural Paranormal Romance, Contemporary Romance, Diverse Romance, Erotic Romance, Feminist Romance, Christian Romance or even Amish Romance. The new edition includes Over 650 literary agents and agencies, Over 450 magazines and Over 500 publishers that don't charge fees. International markets become more accessible than ever with listings that cover both the main publishing centres of New York and London as well as markets in other English speaking countries. With more and more agents, publishers and magazines accepting submissions online, this international outlook is now more important than ever. There are no adverts, no advertorials and no obscure listings padding out hundreds of pages. By including only what's important to writers, contact details for literary agents, publishers and magazines, this directory is able to provide more listings than its competitors at a lower price. The book also allows you to create a subscription to the firstwriter.com website for free until 2026. This means you can get free access to the firstwriter.com website where you can find even more listings and also benefit from other features such as advanced searches, daily email updates, feedback from users about the markets featured, saved searches, competitions, listings, searchable personal notes and more. I know firsthand how lonely and dispiriting trying to find an agent and publisher can be. So it's great to find a resource like firstwriter.com that provides contacts, advice and encouragement to aspiring writers. I've been recommending it for years now. Robin Wade, literary agent at the Wade Doherty Literary Agency Ltd and long term firstwriter.com subscriber. **The Angelic Anniversary Show** Lisa

**The Series Blueprint** Heather Cardona, 2026-01-06 Plotting a series isn't just plotting one book repeatedly. It's a different creature entirely. If a standalone novel is a sprint, a series is a marathon, one with shifting terrain, expanding casts, escalating stakes, and the constant fear that you've written yourself into a corner by Book Three. *The Series Blueprint* is your long range guide to building a series that actually works from the first book to the final payoff. This isn't a book of rigid formulas or paint by numbers outlines. It's a strategic framework for thinking like a series writer, planning with intention, pacing with purpose, and designing stories that grow instead of collapse under their own weight. Inside, you'll learn how to design a series with a clear destination before plot drift takes over. Choose the right series structure for your genre, audience, and goals. Build book level arcs that serve a bigger long form story. Decide between saga, episodic, or hybrid models with confidence. Track character growth, worldbuilding, and continuity without overwhelm. Balance creativity with strategy without killing your spark. Finish a series feeling proud instead of burned out. Whether you're planning your first series, halfway through a tangled one, or staring at a world that no longer makes sense, *The Series Blueprint* meets you where you are. Because a series isn't just multiple books. It's one long story told in deliberate stages. Plot it like one, and your future self will thank you. Probably with coffee.

**A Fate Inked in Blood** Danielle L. Jensen, 2025-02-11 A shield maiden blessed by the gods battles to unite a nation under a power hungry king while also fighting her growing desire for his fiery son in the first book of a Norse inspired fantasy romance series from the bestselling author of *The Bridge Kingdom* series. Bound in an unwanted marriage, Freya spends her days gutting fish but dreams of becoming a warrior. And of putting an axe in her boorish husband's back. Freya's dreams abruptly become reality when her husband betrays her to the region's jarl, landing her in a fight to the death against his son, Bjorn. To survive, Freya is forced to reveal her deepest secret. She possesses a drop of a goddess's blood which makes her a shield maiden with magic capable of repelling any attack. It was foretold such a magic would unite the fractured nation of Skaland beneath the one who controls the shield maiden's fate. Believing he's destined to rule Skaland as king, the fanatical jarl binds Freya with a blood oath and orders Bjorn to protect her from their enemies. Desperate to prove her strength, Freya must train to fight and learn to control her magic all while facing perilous tests set by the gods. The greatest test of all, however, may be resisting her forbidden attraction to Bjorn. If Freya succumbs to her lust for the charming and fierce warrior, she risks not only her own destiny but the fate of all the people she swore to protect.
