**Santa Claus and the Robot Wars, the Joys of Christmas** Don McClure,2014-11-01 Santa Claus The Robot Wars The Joys of Christmas The leader of the Robot planet isn't a scrooge but the Christmas Eve tradition of children celebrating Christmas annoys him Christmas doesn't belong on his planet or any part of the universe he controls The Lord Emperor Tazar thinks the only thing children should do is work in the robot factory building more robots for war so that he can keep control of all those who live on his planet Aramis the beautiful little girl who sent Santa a letter last year requesting that he bring a complete Christmas to her planet wants Santa to bring Christmas and the spirit of Christmas to other planets especially those where there are a lot of children Our story opens with little Aramis asking Santa to go to the Planet of the Lord Emperor Tazar and make him let the children enjoy Christmas and stop working so hard in the robot factory Santa Claus and the Robot Wars the Joys of Christmas is another fantastic and fascinating story created by Author Don S McClure from his first book in the series Santa Claus vs The Aliens A Christmas Wish But this time Santa won't have such an easy time as he did in the last adventure convincing those who never enjoyed Christmas or heard of a man in a red suit In fact this time Santa won't use his famous reindeers for the trip into outer space He will lead the charge on his magic white Polar Bears and Santa will be assisted by his other magical characters the Chocolate Frosties who are made of Chocolate and Ice I'm sure you will want to know what happens when Santa faces The Lord Emperor Tazar leader of the Robot Planet Oh and let's not forget the Postman and his favorite girl who everyone calls K K for short but her real name is Krystal Katherine Magic They are always a special part of the adventures of Christmas

Characters Profiles of Rascals and Renegades is a collection of the most popular profiles and colorful accounts written by long time columnist Randall Beach His columns were written over a span of 40 years and are fondly remembered by many New Haven Register readers When Randall began writing the column some of his newsroom colleagues dubbed the subjects creep of the week because often the subjects were so odd and eccentric But none of them were creeps they simply had a different way of looking at the world and of living He always strove to give them dignity along with recognition His writings always strike an affectionate tone and are often humorous but never mocking The individuals that he wrote were from all over Connecticut well beyond the New Haven area The collection focuses on some well known people such as former Yale University President A Bartlett Giamatti but mostly the profiles are of people some colorful who are part of the fabric of the state It's a remarkable and fascinating collection of profiles about people from all different walks of life around Connecticut
