To endeavour to understand and describe the India of today would be the task of a brave man. To describe tomorrow's India would verge on rashness. What is India? That is a question which has come back again and again to my mind. The early beginnings of our history filled me with wonder. It was the past of a virile and vigorous race with a questing spirit and an urge for free inquiry, and even in its earliest known period giving evidence of a mature and tolerant civilization. Accepting life and its joys and burdens, it was ever searching for the ultimate and the universal.

#### Questions:

- (i) What according to the Speaker would be the task of a brave man? (1)
- (ii) What is it that has come back again and again to the speaker's mind? (1)
- (iii) What impact did the early history of India have on the speaker's mind? (1)
- (iv) Pick out only two expressions from the extract that describe the early civilization of India. (1)

#### Answers:

- (i) The task of a brave man would be to try to understand and describe the India of today.
