Economics of Health and Medical Care

Lanis Hicks, 2020-02-26 Economics of Health and Medical Care is an introduction to population based health economics as well as the traditional market oriented approach to health care economics. The book examines economics through the lens of descriptive explanatory and evaluative economics. The Seventh Edition is an extensive revision that reflects the vast changes that have been occurring in the health care industry and in the economy most notably in the areas for payment systems and quality improvement. Additionally the text offers expanded discussion of the impact of the Affordable Care Act on the demand for healthcare services and health insurance particularly regarding Medicare and Medicaid programs. Evolving issues in healthcare as well as discussion of the implication for efficiency in the production and consumption of healthcare services are covered throughout the text.

Essentials of Health Economics

Diane M. Dewar, 2017 Essentials of Health Economics Second Edition examines the public health care system through the lens of economic theory. Through the use of numerous examples and profiles related to the field students will learn the importance of health economics and its relevance to more general analysis of health policy issues. This text is ideal for courses in programs of public health health administration and allied health professions as it conveys the essence of the economic issues at hand while avoiding complicated methodological issues that would interest only students of economics. Written with the non specialist in mind the book focuses on how to do descriptive explanatory and evaluative economics in a systematic way. The Second Edition features Highly accessible content Ideal for students with a modest quantitative background Real world examples throughout giving the student hands on experience in actual policy related issues as economic concepts are introduced Comprehensive coverage of the specifics of the health care markets the evaluation of health care services delivered and health care reform Updated statistics and
