was a null and now I didn't fit in as a wolf Jackson wrapped a strong arm around me and gave me a reassuring squeeze It just takes some time Clo Changing is awkward at first She looks at me like I'm offending her I frowned She was doing it right now in fact Whenever I blinked her haughty expression flashed against the backs of my eyelids How does your wolf look at you He cocked his head and thought for a moment He just looks at me That's it I sighed and rolled away Jackson oozed sex like a pagan god and he looked the part too with his sculpted muscles dark molten chocolate eyes and black wavy hair However it sometimes seemed he didn't think over much about anything but sex Not that I was complaining He was a fantastic lover but I would've appreciated a little introspection just then Maybe all the hot steamy sex we had was messing with the blood supply to his brain Punching my pillow I attempted to settle in for the night Sleep eluded me more often than not these days Everytime I closed my eyes there was my wolf her gleaming yellow gaze boring into my brain She seemed to be expecting or wanting something but I had no idea what I know a way to guarantee sweet dreams Jackson's hand spun little circles on my shoulder as his other hand inched the covers off me I shivered both from his touch and the cool air We'd started our relationship in the fall when the sun was still strong enough to blunt the chill Now on the cusp of winter the air nipped at my skin Oh really I arched an eyebrow and resisted the urge to pull the covers back over me Jackson was warmer anyway Not to mention he provided orgasms Yep He straddled my hips and leaned down to nuzzle the nape of my neck Let me guess I put a finger to my lips and pretended to think very hard Is it sex His deep chuckle seemed to rumble through my body as well as his Yep Jackson gently kissed my neck working his way to the hollow of my throat Again I gave a soft gasp as his lips roamed my sensitive flesh We went at it so often I wondered if we were really rabbits The sensual pull between us was magnetic We almost couldn't help ourselves And again he murmured in a baritone so deep it vibrated through my neck I can't get enough of you Chloe Not since the day I first saw you

Lunaris the only member who can't be a wolf that was hard to believe. Because of her circumstances she was treated as an outsider by her peers. However, the claims that she can't shift are wrong. She can, but her form is considered taboo in her pack's lore. A panther, another creature of the dark that was born in the darkest cycle of the moon, is prophesied to be the one to destroy the pack. Lunaris knows that if anyone finds out about her secret, she will die instantly. She wanted to leave her tribe, but there are certain rules that one cannot leave until they are of a certain age. But while she was getting closer to her freedom, a phenomenal occurrence happened. Old legends ran in history that when an Alpha is worthy, the lunar goddess would choose their partners for them. A partner who would undoubtedly be the perfect match for them. For Atticus, the next Alpha in line, it was a privilege he vowed to uphold, even though his chosen mate appears to keep her distance from him.
