The Lived Experiences of Muslims in Europe Des Delaney, 2019-09-19 This book unearths new knowledge and challenges existing paradigms in relation to the integration of minority communities It comprehensively reflects upon the complexity of recognition experiences and integration challenges faced by Muslim individuals and groups in Europe By focusing on universal recognition themes related to experiences within personal relationships legal relations religion and civil society it makes an essential contribution to a deeper understanding of Muslim life in the West It offers a reconsideration of everyday lives of Muslims in Europe by drawing on the paradigm of recognition Exploring universal themes it demonstrates the complexity of recognitive relations by examining how Muslim individuals perceive the ways they are recognised or misrecognised within various spheres of everyday interaction It sheds light on the ways in which forms of recognition affect identity formation and social relations more generally and the broader ramifications that arise from such forms of misrecognition This book draws on Honneth s critical social theory of recognition to frame a range of grassroots interviews and focused discussion groups Grounded in qualitative research and with an emancipatory intent *The Lived Experiences of Muslims in Europe* challenges both the assumption that minority groups simply seek to have their particular culture and associated beliefs endorsed by a majority and the security paradigm that narrowly views Muslims in Europe through the lens of political extremism

Smokescreens and Searchlights Bill Guy, 2003 The title of Bill Guy s first novel is a double metaphor smokescreens for the attempts to cover up and searchlights for the efforts to expose A mining company exploiting a gold deposit in Central Australia cuts corners on its environmental protection procedures and as a result a poisonous seepage contaminates a nearby water hole Two boys are poisoned by swimming in the water hole and one of them dies A young newspaper editor fastens on the incident and sets out to expose the corporate political corruption and the cover up The newspaper and the Outback become virtual characters in the drama one reaching out from its metropolitan base to uncover corporate bastardry in the remote interior Bill Guy has spent a working lifetime in

journalism and was for many years foreign editor of the Adelaide Advertiser His biography of Clyde Cameron A Life on the Left was published in 1999 and was shortlisted for the Festival Awards for Literature in 2000 Arab Family Studies Suad Joseph,2018-07-10 Family remains the most powerful social idiom and one of the most powerful social structures throughout the Arab world To engender love of nation among its citizens national movements portray the nation as a family To motivate loyalty political leaders frame themselves as fathers mothers brothers or sisters to their clients parties or the citizenry To stimulate production economic actors evoke the sense of duty and mutual commitment of family obligation To sanctify their edicts clerics wrap religion in the moralities of family and family in the moralities of religion Social and political movements from the most secular to the most religious pull on the tender strings of family love to recruit and bind their members to each other To call someone family is to offer them almost the highest possible intimacy loyalty rights reciprocities and dignity In recognizing the significance of the concept of family this state of the art literature review captures the major theories methods and case studies carried out on Arab families over the past century The book offers a country by country critical assessment of the available scholarship on Arab families Sixteen chapters focus on specific countries or groups of countries seven chapters offer examinations of the literature on key topical issues Joseph s volume provides an indispensable resource to researchers and students and advances Arab family studies as a critical independent field of scholarship *Making Jesus Attractive* Gretchen Schoon Tanis,2016-02-02 Making Jesus Attractive is an in depth look at the history and theology of this parachurch organization dedicated to ministry with young people Beginning with the theological background of founder Jim Rayburn and moving through the decades of the ministry this book examines not only the articulated theological statements of the organization but the lived theology as well This book provides a thorough overview of the theological underpinnings of the Young Life organization and challenges their model of an attractive Christianity providing insights that could be utilized by all youth ministry workers Video Source Book ,2006 A guide to programs currently available on video in the areas of movies entertainment general interest education sports recreation fine arts health science business industry children juvenile how to instruction *Bliss Brain* Dawson Church,2020-09-15 Award Winner in the Science category of the 2020 Best Book Awards sponsored by American Book Fest Award winning author and thought leader Dawson Church Ph D blends cutting edge neuroscience with intense firsthand experience to show you how you can rewire your brain for happiness starting right now Neural plasticity the discovery that the brain is capable of rewiring itself is now widely understood But what few people have grasped yet is how quickly this is happening how extensive brain changes can be and how much control each of us has over the process In Bliss Brain famed researcher Dawson Church digs deep into leading edge science and finds stunning evidence of rapid and radical brain change In just eight weeks of practice 12 minutes a day using the right techniques we can produce measurable changes in our brains These make us calmer happier and more resilient When we cultivate these pleasurable states over time they become traits We don t just feel more blissful as a temporary state the changes are literally

hard wired into our brains becoming stable and enduring personality traits The startling conclusions of Church's research show that neural remodeling goes much farther than scientists have previously understood with stress circuits shriveling over time Simultaneously The Enlightenment Circuit associated with happiness compassion productivity creativity and resilience expands During deep meditation Church shows how the 7 neurochemicals of ecstasy are released in our brains These include anandamide a neurotransmitter that's been named the bliss molecule because it mimics the effects of THC the active ingredient in cannabis It boosts serotonin and dopamine the first is an analog of psilocybin the second of cocaine He shows how cultivating these elevated emotional states literally produces a self induced high While writing Bliss Brain Church went through a series of disasters including escaping seconds ahead of a California wildfire that consumed his home and office and claimed 22 lives The fire triggered a painful medical condition and a financial disaster Through it all Church steadily practiced the techniques of Bliss Brain while teaching them to thousands of other people This book weaves his story of resilience into the fabric of neuroscience producing a fascinating picture of just how happy we can make our brains no matter what the odds
