Insights Post Apocalyptic Story:

Sociological Insights of Great Thinkers Christofer R. Edling, Jens Rydgren, 2010-11-18 In this book leading sociologists expand the scope of their discipline by revealing the sociological aspects of the works of great philosophers scientists and writers Sociologists have long recognized that sociological insight can be gleaned from creative thinkers outside their formal discipline Sociological Insights of Great Thinkers Sociology through Literature Philosophy and Science captures and examines those insights in 32 essays that discuss scholars and writers not normally associated with any sociological school of thought Following a tradition of enriching the sociological toolkit by finding influence in philosophy and literature the volume s contributors an international group of renowned scholars eschew biography to focus solely on sociological interpretations that can be drawn from the work of many of history s preeminent thinkers Among the book s subjects are philosophers such as Aristotle Plato Kant and Cassirer scientists such as Darwin and Galileo and authors such as Kafka Proust and Shakespeare The essays not only allow readers to see such thinkers in a new light but underscore the fact that sociological questions have lain at the very heart of humanity throughout history
