**Liberty: 1784** Robert Conroy, 2014-03-04 In 1781 George Washington's attempt to trap the British under Cornwallis at Yorktown ends catastrophically when the French fleet is destroyed in the Battle of the Capes. The revolution collapses and the British begin a bloody reign of terror. A group of rebels flees westward and sets up a colony near what is now Chicago. They call it Liberty. The British, looking to finish what they started, send a very large force under Burgoyne to destroy them. Burgoyne is desperate for redemption and the Americans are equally desperate to survive. Had the Battle of the Capes gone differently, a changed, darker New World would have been forced into existence. But even under those dire circumstances, Liberty may still find a way. *1920: America's Great War* Robert Conroy, 2015-03-24 NATIONAL BEST SELLER IN HARDCOVER By the author of breakout WW II era alternate history *Himmler's War* and *Rising Sun*, a compelling alternate history thriller. After winning WW I, Germany invades America in 1920, marching through California and Texas as a desperate nation resists. Consider another 1920: Imperial Germany has become the most powerful nation in the world. In 1914, she had crushed England, France, and Russia in a war that was short but entirely devastating. By 1920, Kaiser Wilhelm II is looking for new lands to devour. The United States is fast becoming an economic super power and the only nation that can conceivably threaten Germany. The U.S. is militarily inept, however, and is led by a sick and delusional president who wanted to avoid war at any price. Thus, Germany is able to ship a huge army to Mexico to support a puppet government. Her real goal: the invasion and permanent conquest of California and Texas. America desperately resists as the mightiest and most brutal army in the world in a battle fought on land, at sea, and in the air as enemy armies savagely marched up on California and move north towards a second Battle of the Alamo. Only the indomitable spirit of freedom can answer the Kaiser's challenge. About *1920*
