*Werewolf Fever, Paranormal, Insatiable Series, "Hunter's Moon" Book 5 A New Adult Alpha Billionaire Werewolf Romance* Rachel E Rice, 2016-03-17 When Hunter returns to his ranch at the insistence of his father Wilder Samsa he doesn't expect to fall in love. After all, it was only yesterday he and his twin brother Devin were chasing deer. He doesn't even know what love is until he meets Katie, Robert's younger sister. She introduces him to a world that's unfamiliar to him: a world of love and its pleasures. Love of a human, adventure, survival for a werewolf, werewolves hunting him and finding his way home to a world familiar to his family, his mother and father Wilder, reverse harem series. Werewolf by Night. That world is one he wanted to stay in, but he will be thrust into a realm of danger he has never known. Hunter's only thought is to survive and return to the love of his life. But will Katie wait for him? Hunter will learn that time and circumstances have changed him, and he is no longer the same werewolf. The moon is full, and his desire is insatiable. Werewolf romance. Insatiable series. Little, Nicola McDonald, 2018-11-10

Medieval romances with their magic fountains brave knights and beautiful maidens have come to stand for the Middle Ages more generally This close connection between the medieval and the romance has had consequences for popular conceptions of the Middle Ages an idealized fantasy of chivalry and hierarchy and also for our understanding of romances as always already archaic part of a half forgotten past And yet romances were one of the most influential and long lasting innovations of the medieval period To emphasize their novelty is to see the resources medieval people had for thinking about their contemporary concern and controversies whether social order Jewish Christian relations the Crusades the connectivity of the Mediterranean women's roles as mothers and how to write a national past This volume takes up the challenge to think romance investigating the various ways that romances imagine reflect and describe the challenges of the medieval world

**Werewolves, Wolves and the Gothic** , 2017-09-15 Wolves lope across Gothic imagination Signs of a pure animality opposed to humanity in the figure of the werewolf they become liminal creatures that move between the human and the animal Werewolves function as a site for exploring complex anxieties of difference of gender class race space nation or sexuality but the imaginative and ideological uses of wolves also reflect back on the lives of material animals long persecuted in their declining habitats across the world Werewolves therefore raise unsettling questions about the intersection of the real

and the imaginary the instability of human identities and the worldliness and political weight of the Gothic This is the first volume concerned with the appearance of werewolves and wolves in literary and cultural texts from the mid nineteenth century to the present Drawing on representations of werewolves and wolves in literature film television and visual culture the essays investigate the key texts of the lycanthropic canon alongside lesser known works from the 1890s to the present The result is an innovative study that is both theoretically aware and historically nuanced featuring an international list of established and emerging scholars based in Britain Europe North America and Australia
