Black,2015-02-12 By adopting the ancient Buddhist practice of mindfulness meditation we can learn to pay attention to our daily experience and become more contented and fulfilled by daily activities Many of us find it difficult to simply appreciate

the present moment We either dwell on the past or worry about the future moving mindlessly from one activity to the next When we are not being mindful we miss out on small moments that are often incredibly valuable be it a beautiful park that we walk through on our journey to work or the taste and texture of a delicious meal In mindfulness meditation we pay attention to our ongoing experience whether it is pleasant such as appreciating a beautiful sunny day unpleasant a disagreement with a loved one or neutral doing household chores This Little Pocket Book is the perfect introduction to mindfulness and is packed with easy to follow tips and suggestions that will allow you to incorporate simple mindful moments into your daily life

Buddha's Book of Sleep Joseph Emet, 2012-12-27 Winner of BEST BOOK OF THE YEAR from COVR The Coalition of Visionary Resources that recognizes the best new products in the New Age industry Enlightened sleep practices for the modern mind Buddha's Book of Sleep is the first book to address sleep disturbances with techniques from mindfulness meditation Yet this is a natural choice mindfulness meditation has proven effective for psychological problems such as stress depression and anxiety and these very issues are what become sleep problems when your head hits the pillow Divided into two sections the book approaches sleep deprivation with a combination of wisdom and practical meditation exercises The first section explains why mindfulness meditation with its basis in self awareness is appropriate for dealing with sleeping problems and details the practices of this increasingly popular form of meditation The second section features seven specific exercises to do at bedtime or in the wee hours of the morning or whenever your sleeping trouble occurs With a foreword by Thich Nhat Hanh Providing a new perspective on why you cannot fall asleep even when you feel exhausted and arming you with easy to use mindfulness meditation exercises Buddha's Book of Sleep will help you calm your hurried thoughts and go from feeling always sleepy to getting the rest you need

Arriving at Your Own Door Jon Kabat-Zinn, 2013-02-05 Mindfulness opens us up to the possibility of being fully human as we are and of expressing the humane in our way of being Mindlessness de facto closes us up and denies us the fullness of our being alive This book may on the surface appear to be merely another offering in the genre of daily readings But deep within these 108 selections lie messages of profound wisdom in a contemporary and practical form that can lead to both healing and transformation We so urgently need to rotate in consciousness in order to safeguard what precious sanity is available to us on this planet How we carry ourselves will determine the direction the world takes because in a very real way we are the world we inhabit Our world is continuously being shaped by our participation in everything around us and within us through mindfulness This is the great work of awareness Welcome to the threshold to the fullness of arriving at your own door
