### **Fairy Tale Retelling Fan Favorite:**

Take Me Slowly Lidiya Foxglove, 2023-02-05 You are the thing that keeps him human You are what keeps him from madness and darkness We need you dearest The Order of the Blessed is all I have known I keep my head down and my hair covered I don't speak unless spoken to I follow the rules mostly But the clock is ticking Soon Father Joshua will name my husband and there isn't a man here I want to touch me The last thing I expected was for Father Joshua to choose me for his own I'm special he said I'm wicked And I need a holy man to keep me from my own wickedness Now I must escape Even though I hardly know what's beyond these walls Even if I die out there in the forest I didn't expect someone to catch me when I leapt Especially four someones Rayner Silvus Jie Thom They're the most gorgeous men I've ever laid eyes on and they're also merciless vicious vampires They've loved me and pursued me for five hundred years across every life I've lived And they're ready to possess me to show me what love is even as I'm slow to trust They will do anything to protect me from the Order of the Blessed but the Order of the Blessed will do anything to protect me from them It's time for me to discover just how special I really am TAKE ME SLOWLY is a reverse harem romance with some very possessive obsessive slightly twisted vampires who will do anything for the woman they love and a damaged heroine who slowly finds her own strength Did I mention my vampires get lonely waiting to find their lady Note Some scenes of abuse and dark themes *The Routledge Companion to Media and Fairy-Tale Cultures* Pauline Greenhill, Jill Terry Rudy, Naomi Hamer, Lauren Bosc, 2018-03-28 From Cinderella to comic con to colonialism and more this companion provides readers with a comprehensive and current guide to the fantastic uncanny and wonderful worlds of the fairy tale across media and cultures It offers a clear detailed and expansive overview of contemporary themes and issues throughout the intersections of the fields of fairy tale studies media studies and cultural studies addressing among others issues of reception audience cultures ideology remediation and adaptation Examples and case studies are drawn from a wide range of pertinent disciplines and settings providing thorough accessible treatment of central topics and specific media from around the globe The Surrender of Sleeping Beauty Complete Series Box Set Lidiya Foxglove, 2021-06-01 Tonight I will master every inch of you And you will probably feel the urge to beg me to stop but you won't will you I was raised a princess but a witch's curse would seal my fate Only one man dared to marry me the future king of the fae I'm a long way from home In this palace there is no freedom no solitude I am his possession Corseted and gilded or stripped and bound either way I'm his to claim Anytime Anywhere It is the role of the king to dominate his bride publicly and often I am the living symbol of his strength But there is no denying his charm and the power he holds to make me crave him Even as it leads me to the most dreadful event of all the day I must submit to him before the eyes of the entire court However he has a secret of his own A secret that will lead me into the arms not just one man but two at once my beloved King Augustus and our loyal guard Count Axel A forbidden love none of us can turn away from The witch who cursed me lurks in the shadows ready to destroy us all The Surrender of Sleeping Beauty was inspired by

the life of Marie Antoinette and my love of fairy tales with a sensual twist It contains intense sexual scenes and some darker themes along with much decadence gardens and gowns and a happily ever after that is both bitter and sweet This series was originally published as the Queen of the Sun Palace and collects the following three books BOOK ONE PRISONER OF SILK BOOK TWO PRISONER OF MIRRORS BOOK THREE PRISONER OF DREAMS *Twentieth-Century and Contemporary American Literature in Context* Linda De Roche,2021-06-04 This four volume reference work surveys American literature from the early 20th century to the present day featuring a diverse range of American works and authors and an expansive selection of primary source materials Bringing useful and engaging material into the classroom this four volume set covers more than a century of American literary history from 1900 to the present Twentieth Century and Contemporary American Literature in Context profiles authors and their works and provides overviews of literary movements and genres through which readers will understand the historical cultural and political contexts that have shaped American writing Twentieth Century and Contemporary American Literature in Context provides wide coverage of authors works genres and movements that are emblematic of the diversity of modern America Not only are major literary movements represented such as the Beats but this work also highlights the emergence and development of modern Native American literature African American literature and other representative groups that showcase the diversity of American letters A rich selection of primary documents and background material provides indispensable information for student research Thief Liar Lady D. L. Soria,2024-04-09 Happily Ever After is a total scam but at least this time the princess is the one controlling the grift until her true love arrives and threatens to ruin the whole scheme Intrigue magic and wit abound in this Cinderella fairytale reimagining perfect for fans of Heather Walter and Naomi Novik A dazzlingly magical thrilling and inventive take on a beloved classic Lana Harper New York Times bestselling author of Payback s a Witch I m not who you think I am My transformation from a poor orphaned scullery maid into the enchantingly mysterious lady who snagged the heart of the prince did not happen as the rumors insisted in a magical metamorphosis of pumpkins and glass slippers On the first evening of the ball I didn t meekly help my evil stepmother and stepsisters primp and preen or watch forlornly out the window as their carriage rolled off toward the palace I had other preparations to make My stepsisters and I had been trained for this to be the cleverest in the room to be quick with our hands and quicker with our lies We were taught how to get everything we wanted in this world everything men always kept for themselves power wealth and prestige And with a touchingly tragic past and the help of some highly illegal spells I would become a princess secure our fortunes and we would all live happily ever after But there s always more to the story With my magic running out war looming and a handsome hostage prince the wrong prince distracting me from my true purpose with his magnetic charm and forbidden flirtations I m in danger of losing control of the delicate balance I ve created and that could prove fatal There s so much more riding on this than a crown
