**Traumatic Dental Injuries** Jens O. Andreasen, Leif K. Bakland, Maria Teresa Flores, Frances M. Andreasen, Lars Andersson, 2011-10-07 **TRAUMATIC DENTAL INJURIES A MANUAL** The third edition of Traumatic Dental Injuries A Manual builds on the widespread success of the previous two editions. The ultimate guide to dental trauma the manual preserves its uniquely usable and reader friendly format demonstrating step by step treatment protocols for commonly occurring traumatic injuries. Several new sections have been added to expand the number of clinical scenarios describing soft tissue injuries associated with dental trauma showing how decoronation of ankylosed anterior teeth in adolescents can preserve the alveolar process for later implant placement and identifying predictors for pulpal and periodontal ligament healing complications as well as for tooth loss. A unique feature of the new edition is the accompanying DVD which presents computer animations of all trauma scenarios as well as links to the internet based interactive Dental Trauma Guide to predict healing complications for individual trauma scenarios. **KEY FEATURES** Written by international authorities on dental trauma. Demonstrates treatment protocols in a clear step by step format. Illustrated throughout with high quality color images and diagrams. Includes more sections to expand number of clinical scenarios. Accompanied by a new DVD of trauma scenario animations. **REVIEWS OF PREVIOUS EDITIONS** The text is clear and well written and well referenced. The chapters on diagnosis of periodontal and pulpal complications are particularly helpful as this is a difficult area for many clinicians. The manual will serve as an excellent reference for practitioners and dental students who have a good working knowledge of dental traumatology. *Journal of Orthodontics* Overall this book is excellent and I believe would be an essential member of a dentist's library. It is the sort of book that can be quickly read and information and guidance can be located easily when the need arises.
