Bedtime is an important part of a child's day and it is vital to establish a set routine at an early age. Bedtime stories are a very beneficial aspect of the bedtime routine. Not only does a quick story before help calm your child down but it can also increase their vocabulary, improve their concentration skills and stimulate and encourage creativity and imagination. Reading or telling your child a bedtime story is also a good way to bond with them and spend quality time together. This book contains twelve unique stories written specifically to help your child calm down before bed. They were written for two to five years olds but they are suitable for older children and are attractive to both boys and girls. Each story has its own unique setting and characters and revolves around a moral lesson. Some stories are set in the world of fantasy and animals and some are in the daily lives children are familiar with. Here are the twelve stories: The Dream Whisker, The Lies that really happened, The Horse That Wanted to Be a Unicorn, The Little Girl and the Snow Fairy, The dragon and the Princess, The Kitten and the Owl, The story of the Sun and the Moon, The Dog That Didn't Like His Name, The Mean Rose, The Polar Bear That Got Cold, The Hunt for the Christmas Cookies, The Little Wolf's First Hunt. Short Bedtime Stories For Kids Volume 1. The idea of Short Bedtime Stories For Kids was flamed by an affiliate product review AI software that generates stunning illustrated children's books even if you have no idea what to write about. Therefore I decided to challenge myself as a writer. This eBook topics include Adventure, Fairy Tales, General Children's Bedtime Stories, Imagination and Magical Carpet Rides Over Fantasy Worlds. Everything to spark their imagination and take them on a journey through a world of wonder. Storytelling is as old as the human race itself and will always be in our hearts. Was television not inspired by storytelling? What then is it other than storytelling with movies and series? Let's just forget about the news stories; those fairy tales are often just a bit too farfetched. Besides, much too complicated for many kids to comprehend. I hope that you will enjoy my attempt at children's bedtime stories with AI writing software and Canva image design. But more importantly, may your kids enjoy the magical ride they are about to embark upon. Enjoy the journey with them and watch those little faces.
