Angela Boord author of *Fortune s Fool* The main thing which struck me was how different it was Completely unlike the mainstream trad published fantasy Then I went off and had a little cry

Tim Hardie author of *Hall of Bones* and *A Quiet Vengeance* This dark retelling of Asgard s pantheon is no rosy Marvel Universe depiction the violence and savagery of the deities and their contemporaries being on full display *Children* is as actually less of a coming of age tale as it is a study of trauma a commentary on classism and privilege an observation on the expectations placed on each other by child and parent and a questioning of what it says about us when one group of people can dehumanize another
