Wiesner, 2016-11-07 William Decker an orphan who grew up without warmth or companionship from those around him had been a loner all his life preferring solitude loneliness and dark corners to friends anything resembling a spotlight and even love When he met Roxanne Hart his first and only year of college he'd found a center he'd unconsciously looked for all his life Though Rox loved him deeply as a friend she was in love with another man and he'd never really had a shot there despite his relentless loyalty When she announces her wedding William knows it's long past time for him to stop wishing for the moon but more than that he realizes for the first time that he'd set his heart on an unavailable woman purposely He's lived his life on the principle of Better to not love and lose what you never had to begin with and You can't be hurt by anything you haven't invested yourself in and he can't deny it's done little beyond keep him lonely Sapphire Stephenson married had a child and divorced before she was out of her teens But starting out life with a newborn and parents who refused to understand why she couldn't forgive her cheating husband even once she'd taken the only job she'd been able to get as a waitress and later a bartender at a rough biker joint in New York City Sapphire is certain of two things That being a good role model for her daughter is the most important thing in her life and that there isn't a man alive worth any loyalty The dudes who come

through the bar have no respect for let alone interest in anything that isn't transitory with the women around them William Decker is the one exception to the rule she's observed and he intrigues her the way no other man ever has But is even he capable of more than promises in the dark that he'll break without regret by morning light     Hurt Lydia Michaels, Bestselling and award winning author Lydia Michaels delivers a devastatingly dark romance with thrilling psychological twists that haunt and hypnotize in this uniquely poignant mafia romance Callan MacGregor's tortured past is awakened when the woman he secretly loves is brutally attacked His heart will not rest until vengeance is served Violence made me vicious and my sins are too many to count When I look at her I'm reminded of everything good and pure in this world My redemption is hopeless so I keep my distance fighting the temptation to get closer to her even when her eyes and body invite me in Everyone I love disappears so I must keep my distance to keep her safe Distances and isolation are the price I must pay for the ruthless crimes I've committed But when I see her hurting nothing not even my past can keep me away She is mine to protect and I will be her justice and protection from the true monsters in this ugly world     Deception Aleatha
