G. Wells, 2017-04-27 Large print edition of H. G. Wells' startling tale of mankind's first encounter with an alien race. *The War of the Worlds* is recognized as the original alien invasion story written by one of the fathers of science fiction in the late 1890s. The story set in rural and urban England is written as two books: Book I dealing with the invasion itself and Book II reliving the narrator's experiences as Mankind lives under its alien conquerors until finally winning freedom. The fame of this exceptional story was enhanced first when radio star Orson Welles stunned listeners in the United States in October of 1938 by broadcasting a dramatic adaptation of *The War of the Worlds* so authentic that it caused panic throughout the country and resulted in countless calls to federal and state authorities. *The War of the Worlds* has since been adapted for radio, television, and the silver screen countless times and it is widely recognized as the bestselling science fiction story of all time. This new large print edition is oversized for easy handling and printed in a classic, easy-to-read font. *The War of the Worlds - Large Print Edition* H. G. Wells, 2013-11. This is the science fiction classic where Martians attack the Earth. Alien invasion novels all owe something to H. G. Wells because this is the grandfather of such tales. A man witnesses the attack of the Martians in Surrey and London as war breaks out between planets. He must get back to his wife and on his journey he sees the Martians lay waste to southern England. How can we possibly fight back against a technologically superior race? This novel has inspired a great many other books, movies, including the notorious radio broadcast by Orson Welles in 1938 that caused widespread panic because listeners thought it was real. It all started with this book and it belongs in every home library. This Large Print Edition is presented in easy-to-read 16-point type. *The War of the Worlds Annotated* H. G. Wells, 2021-01-05. *The War of the Worlds* 1898 by H. G. Wells is an early science fiction novel which describes an invasion of England by aliens from Mars. It is one of the earliest and best known depictions of an alien invasion of Earth and has influenced many others as well as spawning several films, radio dramas, comic book adaptations, and a television series based on the story. The 1938 radio broadcast caused public outcry against the episode as many listeners believed that an actual Martian invasion was in progress, a notable example of mass hysteria. *The War of the Worlds* is a science fiction novel by English author H. G. Wells, first serialized in 1897 by Pearson's Magazine in the UK and by Cosmopolitan magazine in the US. The novel's first appearance in hardcover was in 1898 from publisher William Heinemann of London. **Intruders** Paul Seiple, Tracy Sharp, 2019-08-30. If the dead don't get you, the aliens will.
