Fairy Tale Retelling Blueprint:

Queer Adolescent Literature as a Complement to the English Language Arts Curriculum Paula

Greathouse, Henry "Cody" Miller, 2022-02-15 This text offers secondary ELA educators guided instructional approaches for including queer themed young adult YA literature in the English language arts classroom Each chapter spotlights the reading of one queer themed YA novel and offers pre during and after reading activities that guide students to a deeper understanding of the content while increasing their literacy practices While each chapter focuses on a specific queer themed YA novel readers will discover the many opportunities for cross disciplinary study Thw emphasis on English language arts content as a focus for teaching LGBTQ young adult literature marks a shift from the first edition **Viktor Shklovsky**

Viktor Shklovsky, 2017-01-01 Viktor Shklovsky 1893 1984 was both patriarch and enfant terrible of Formalism a literary and film scholar a fiction writer and the protagonist of other people s novels instructor of an armored division and professor at the Art History Institute revolutionary and counterrevolutionary His work was deeply informed by his long and eventful life He wrote for over seventy years both as a very young man in the wake of the Russian revolution and as a ninety year old never tiring of analyzing the workings of literature Viktor Shklovsky A Reader is the first book that collects crucial writings from across Shklovsky s career serving as an entry point for first time readers It presents new translations of key texts interspersed with excerpts from memoirs and letters as well as important work that has not appeared in English before

Women Screenwriters Jill Neldes, Jule Selbo, 2015-09-29 Women Screenwriters is a study of more than 300 female writers from 60 nations from the first film scenarios produced in 1986 to the present day Divided into six sections by continent the entries give an overview of the history of women screenwriters in each country as well as individual biographies of its most influential **The Voice of Nature in Ted Hughes's Writing for Children** Lorraine

Kerslake, 2018-06-12 Despite the fame Ted Hughes s poetry has achieved there has been surprisingly little critical writing on his children s literature This book identifies the importance of Hughes s children s writing from an ecocritical perspective and argues that the healing function that Hughes ascribes to nature in his children s literature is closely linked to the development of his own sense of environmental responsibility This book will be the first sustained examination of Hughes s greening in relation to his writing for children providing a detailed reading of Hughes s children s literature through his poetry prose and drama as well as his critical essays and letters In addition it also explores how Hughes s children s writing is a window to the poet s own emotional struggles as well as his environmental consciousness and concern to reconnect a society that has become alienated from nature This book will be of great interest to not only those studying Ted Hughes but also students and scholars of environment and literature ecocriticism children s literature and twentieth century literature

Reading Children's Fairytales Mette Lindahl-Wise, Harry Oulton, Vicky Macleroy, Emily Corbett, 2025-11-17 Fairytales form a cornerstone of children s and YA literature studies and the tale of Hansel and Gretel has been translated adapted and

retold across the years Reading Children's Fairytales Inside the Gingerbread House brings together leading and emerging researchers and practitioners to showcase how interdisciplinary approaches enable diverse responses to texts This edited collection opens up possibilities for cross pollination between critical multimodal and creative approaches It celebrates multiple forms of knowledge and meaning making within and beyond academic discourse and engages young people in the conversation The authors explore a wide range of retellings of Hansel and Gretel from children's picturebooks graphic novels poetry and young adult fiction to sculpture and Hip Hop to offer a comprehensive investigation of the tale The volume also benefits from the voices of acclaimed creative writers who create and reflect on retellings that cross cultural and international boundaries In engaging with such a range of popular retellings the chapters bring a renewed attention to the need to disrupt hierarchical and canonical perspectives on children's and YA literature
