Witchcraft, Violence, and Democracy in South Africa Adam Ashforth, 2005-01-15 Large numbers of people in Soweto other parts of South Africa live in fear of witchcraft presenting complex unique problems for the government Adam Ashforth explores the challenge of occult violence the spiritual insecurity that it engenders to democratic rule in South Africa

Making Sense of "God" Norman Solomon, 2023-05-04 All over the world people talk about God and argue endlessly about what God said and what if anything we should do about it Do they

know what are they talking about Do they ever seriously consider what it might look like or feel like if God actually spoke to you How could you tell if someone said God spoke to them whether they were deluded bluffing or high on drugs The reflections dialogues and arguments in this book address such questions often with humor sometimes provocatively as when the author suggests the ancient gods have returned to invade the institutions of our great religions or when two spirits William and James viewing the world from afar voice their doubt as to whether the human species will ever attain the pinnacles of cooperation reason beauty and love Ancient texts from the Mayan Popol Vuh through the Bible to the Chinese classics are invoked and the discoveries of modern science from anthropology to zoology are brought into play as the reader is gently led to an appreciation of the role of religious language in modern society **World Christian Trends**

Ad30-ad2200 (hb) ,2001 Managing People in Changing Organizations Graeme Martin,2024-09-03 Managing People in Changing Organizations addresses the contemporary problems faced by managers in dealing with people organizations and change in a theoretically informed and practical way It does so by drawing on classic studies in management up to date research including the author s own case studies and reflective exercises This textbook approaches people management and organizational development from the perspective of practising and aspiring managers making it a valuable alternative to existing texts on organizational behaviour change management and human resource management This third edition incorporates new research and recent changes in technology including artificial intelligence work and job design and additional insights into innovation corporate governance and sustainability Built around a chapter framework that connects different themes to managerial action and practices this textbook covers a wide range of topics including managing at the individual group and organizational levels culture change managing internationally reputation management managing creativity and innovation and corporate governance corporate social responsibility and sustainability There is an increased international flavour reflected in the range of contemporary case studies and literature used throughout which explore business and management problems in the private and public sectors The content also reflects the author s recent experience of consulting and managing at board level This text will be relevant to practising and aspiring managers studying leadership people management organizational behaviour and development and change management on courses at later stage undergraduate masters doctoral and executive education levels [Our Global Environment](#) Anne Nadakavukaren,Jack Caravanos,2020-01-23 Our Global Environment regarded for decades as the quintessential introduction to environmental health for its authoritative coverage and cogent prose provides a richly detailed survey of current environmental issues In compelling language Anne Nadakavukaren and new coauthor Jack Caravanos describe the crucial interdependence between humans and their environment exploring the varied ways in which human activities have impacted degraded or altered the environment and the consequences to both natural ecosystems and human health and well being The eighth edition features a new chapter on climate change and the public health impacts of global warming incorporating the latest assessments of the

 primary goal of World Civilizations The Global Experience Third Edition is to present a truly global history one that both
 discusses the development of the world s leading civilizations and also emphasizes the major stages in the interactions
 among different peoples and societies The book examines all the world s civilizations including those in the Western tradition
 but also those civilizations sometimes neglected in world history texts for example the nomadic societies of Asia Latin
 America and the nations and states of the Pacific Rim World Civilizations balances this discussion of independent
 developments in all the world s major civilizations with comparative analysis of the results of international contact MARKET
