Based on research from over a thousand leaders throughout the world at all levels in the public, private, and voluntary sectors, it identifies the practical skills to make you even more successful and offers guidance on all key topics. This completely revised fourth edition of *The Leadership Skills Handbook* includes brand new content on some of the most challenging skills that successful leaders need to master through three new sections on financial skills (including budgeting, costs, pricing, and creating an investment case), political skills (including influencing, negotiating, networking, and partnering), and the art of strategy (including strategic models).
