Alternate History Novel Complete Workbook:

Soldier Boys: Tales of the Civil War Jack Matthews, 2016-04-04 Over the decades Jack Matthews collected memoirs and personal correspondence by actual U S Civil War soldiers Eventually this interest led him to write a group of stories from the vantage point of teenage soldiers The stories are less about specific Civil War battles or the horrors of war than about ordinary adventures and heartbreaks of young soldiers One soldier constantly composes new epitaphs for himself much to the irritation of his comrades A wounded soldier finds himself abandoned by his regiment and accidentally strikes up a friendship with a soldier from the other side One soldier starts seeing ghostly visions of his dead brother and wants to know why In the opening story a courier is sent by headquarters to deliver an urgent and tragic message only to learn that the local commander has forbidden him to deliver it In the final story two soldiers have to hunt down and stop a hidden sharpshooter nicknamed Old Mortality and in so doing have to face and understand their fears Told in an accessible humorous and even old fashioned way these stories have a philosophical bent and give readers a sense of how 19th century young Americans must have pondered their world This 8th story collection published posthumously is the first Jack Matthews story collection to be published in 23 years This special ebook edition is illustrated by Barbiel Matthews Sanders the author's daughter and includes two introductory essays by Personville editor Robert Nagle The author's website www.ghostlypopulations.com also contains a study guide for teachers and an annotated bibliography of Civil War fiction prepared especially for this ebook
