Imagine a giant box is delivered to your front doorstep with your name on it. What's inside and what happens when you open it?

Write a short story about what it might be like if you woke up one morning with a mermaid tail.

Write about what would it be like if you had an alligator as a pet.

If you were in charge of the whole world, what would you do to make the world a happier place?

Imagine that dogs take over the world. What do they make the humans do?

Write about 3 places you would like to travel someday. What do these three places have in common?

Write a poem that starts with the word "if".

How do you feel when someone takes something of yours without asking? What is a good way to deal with it when that happens?

Imagine you walk out your front door one morning and it is raining popcorn! What do you do?

A made up story. Nonfiction: Anything that you write that is true. This is about something that really did happen. Fan Fiction: Writing in which you take characters that other people have written and imagine them saying and doing things that are normal for their character to do. Flash Fiction: A made up story that is very short, usually fewer than 500 words. Syllable: The number of beats a mouth full of words. So for example, the word Syllable: clap each time you stop, has 3 syllables. Lamp has only one. You clap when saying lamp, and it is only one beat. Video Game: Videogame has 4.
